

REPLY TO PRE BID QUERIES

Bid NCB NO. JP/EW/1B/E2

Date of Pre Bid meeting:-11.07.2016

SN	Ref. Clause No.	Clause Description	Query	JMRC Reply
1.		General Point	In case a foreign participant will be allowed to bid in this Bid given that it is a National Competitive Bid (NCB). If a foreign participant is allowed to participate in the Bid, will having an Indian partner be mandatory.	"National Competitive Bidding allows the participation of foreign firms (from eligible countries; Under Section 5 of Bid document), if they want to submit a bid under the NCB circumstances, with or without a local (Indian) partner".
2.		General Point	Is this process intended only for national (Indian) companies, or is it open to international bidding?	Both the bidding (NCB No. JP/EW/1B/E1 and JP/EW/1B/E2) are National Competitive Bidding (NCB). However, National Competitive Bidding allows the participation of foreign firms (from eligible countries; Under Section 5 of Bid document), if they want to submit a bid under the NCB circumstances, with or without a local (Indian) partner.
			In case international companies are accepted, I would like to confirm that no EOI will take place and only a single-stage procedure is undertaken, hence any company accomplishing the evaluation and qualification criteria may acquire the RFP and submit a bid.	As the Project is funded by Asian Develop Bank (ABD) so these bidding are based on Single Stage Two Envelopes Procedure of ADB. The eligible company/firm may procure the bidding document (RFP) from JMRC and submit bid to JMRC. It is single stage procedure i.e. Technical bid and Price bid both shall be submitted simultaneously in two different envelopes enclosed together in an outer single envelope. The JMRC shall open the Technical Bids in public at the address, on the date, and time specified in the BDS in the presence of Bidder's designated representatives and anyone who choose to attend. The technical bids shall be evaluated first and the

				Employer will invite bidders who have submitted substantially responsive Technical Bids and who have been determined as being qualified for award to attend the opening of the Price Bids. The date, time, and location of the opening of Price Bids will be advised in writing by the Employer. Bidders shall be given reasonable notice of the opening of Price Bids.
3.	Section 1 ITB 1.1	The IFB may be read as National Competitive Bidding(NCB)	Request to clarify, whether any preference will be given to Domestic Companies and how does it impact duties and taxes for International companies	No special preference will be given to domestic companies. Please follow accordingly.
4.	Section 1 ITB 18.3 & 18.4	In the schedules, Bidders shall give the required details and breakdown of prices as follows: (a) Plant to be Supplied from Abroad (Schedules No. 1) (i) the price of the plant shall be quoted carriage and insurance paid (CIP)-named place of destination basis specified in the BDS;	As per clause 18.3 Section 4 (Bidding Forms) Price Schedules is to be followed for submission of Prices. Please confirm whether clause 18.4 will be applicable in this case or not?	The prices are to be quoted as per price schedules as contained in the Section 4 Vol I & II. Please follow accordingly.
5.	Section 1 ITB 37.1	For Evaluation and comparison purpose, the currenc(ies) of the bid shall be converted into a single currency as specified in the BDS The currency that shall be used for the bid evaluation and comparison purposes to convert all bid prices expressed in various currencies into a single currency is Indian Rupees(INR) The source of the selling exchange rate shall be : Reserve Bank of India The date for selling exchange rate shall be 28 days prior to the deadline for submission of the bid.	Please clarify that other sources of exchange rates viz.www.oanda.com or www.xe.com can be used as sometimes the same are not available easily on RBI website.	Please follow bid conditions
6.	Section 3 Clause 2.5	Experience of installation & Commissioning of SCADA for Traction or Power Supply system for metro/suburban/mainline railway Minimum Criteria to be met (at least one completed work of MRTS within 7 years.)
