1. The scope of work includes Preventive & breakdown maintenance of Chiller System and submitting a report after every visit/maintenance.

2. Maintenance during AMC:

   a) Contractor shall carryout Minimum four preventive maintenances in a year i.e. after each quarter he will carryout quarterly, half yearly and yearly maintenance as per schedule to be given by contractor (OEM). Contractor’s preventive maintenance being from OEM only should normally not attract any failure/defect in the system but in case there is any complaint in the system, same shall be advised to contractor through telephonically sms or e-mail and contractor shall attend the call and carryout corrective maintenance /repair to put right the system within 24 hrs. contractor shall make his allout efforts to adhere the time schedule of preventive as well as corrective maintenance and in case of delay beyond reasonable limit a penalty as prescribed in clause 5(c) shall be deducted from his bill amount.

   b) The various schedules of quarterly, half yearly and yearly maintenance is to be handed over by contractor along with offer or 

   Prior to issue of ‘LOA’ however following checks/maintenance is to be performed during preventive maintenance (para 2(c))

   c) PREVENTIVE MAINTENANCE:

      i. Check Oil level in the oil separator.

      ii. Check Liquid sight glasses to determine if there is a refrigerant shortage.

      iii. Inspecting the unit for leaks with a soap solution.

      iv. Inspect entire system for any unusual conditions such as noise, vibration, etc.

      v. Check the system operating pressure and temperatures to ensure proper operating conditions.

      vi. Check Evaporator and Condenser approach.

      vii. Check chilled water flow by checking pressure drop across the chiller.
viii. Compare the chilled water temperature at full load with the chilled water temperature control.
ix. Inspect all safety controls and adjust if required.
x. Inspect all operating control and sequence of operation.
xii. Review daily operating log maintained by JMRC operating personnel and instruct operating engineer as required.
xiii. Quarterly health report of chiller and suggestions for improvement.
xiv. Motor Insulation Checks.
xv. Half Yearly adjustments of controls if required.
xvi. Controller program (Operating Software) updation when required.

1. Compressor
   A. Performance Evaluation (Log & Analysis)
   B. Motor
      - Terminal Check (tight connection, porcelain clean)
      - Resistance to ground
   C. Lubrication System
   - Oil Analysis
   - Oil Appearance (clear colour, quantity)
   D. Unloading Operation
   - Compressor Loads
   - Compressor Unloads

2. Controls
   A. Operation Controls
      - Check setting and operation
      - Check unloading setting and operation
      - Verify Load Balance Operation
   B. Protective Controls
      - Test Operation of:-
        - High and low pressure
        - High discharge Temperature

3. Condenser
   A. Performance Evaluation
   B. Seasonal Protection

4. Expansion Valves
   A. Performance Evaluation

5. Compressor chiller unit
   A. Performance Evaluation
   B. Leak Test
      - Compressor Fittings and Terminal
      - Pipe Fittings
      - Vessel relay Valves

taxi. The contractor has to maintain a register for the periodical inspections/maintenance, which have to be signed by representative of the JMRC.

xviii. All maintenance activities/visits will be witnessed by JMRC nominated representatives.

xix. The summary/checklist of preventive maintenance parameters as well as Corrective Maintenance shall be submitted by contractor jointly signed and verified by the JMRC Representative.

xx. Record of each routine visit and call-out visit, together with details of the work done or action taken, shall be entered on a log book which shall be provided by the contractor and same shall be retained by JMRC. It will be filled after completing each visit/maintenance and jointly signed by contractor and JMRC representative.

d) CORRECTIVE MAINTENANCE:

i. In case of any complaint/breakdown/fault in any Chiller, the firm has to attend and repair the fault within 24 hours of reporting on phone/FAX/Email/SMS etc.

ii. Penalty of Rs.1000 per day in AMC period will be imposed if chiller is not working for more than 24 hrs. due to any failure.

iii. The total penalty amount shall not exceed 10% of Total contract amount. Repeated cases of not attending the failure within 24 Hrs. will be considered as unsatisfactory performance on part of contractor and JMRC has the right to reject the tender in any stage.

5 Terms of Payment and Penalty:

a) The date of commencement of this work shall from LOA and the duration of work shall be for one year. Payment of AMC charges shall be made on quarterly basis on submission of certificate from consignee for satisfactory maintenance of equipment for 3 Nos., McCaig chiller Model PFS1701DARY.

b) GST shall be paid @18% or as applicable at the time of billing as already mentioned in BOQ.

c) The contractor shall arrange to carryout minimum 4 nos. Quarterly preventive maintenance and submit the report thereof. The preventive maintenance of each of the Chiller will be carried out as per pre-approved schedule and in no case it shall be delayed by 05 days for any of the individual Chiller. In case preventive maintenance of each quarter is delayed beyond 05 days of Grace period, penalty of Rs.300 per day per chiller shall be levied against the contractor.
similarly every call of breakdown/complaint is to be attended within 24 hrs and when chiller is not completely out of order, a penalty of Rs.200 per chiller per day shall be levied (but if chiller (either of the three) remains out of order for more than 24 hours, then after expiry of 24 hrs. Period a penalty of Rs.1000 per chiller per day shall be levied till the same is put right and made operational. This will also include the operating software issue. The Total penalty during the course of AMC period shall however not exceed 10% of the total contract amount. Repeated shutdown of any of the chiller or frequent complaints shall be treated as unsatisfactory performance on part of contractor and JMRC may be compelled to terminate the contract at any of such stage with forfeiting performance security and resorting to other consequences.

d) The employer shall have the sole right to terminate this contract on account of unsatisfactory performance which shall be determinable at the sole discretion of the employer. Such termination shall be affected by serving a 7 days’ notice by the employer to the authorized representative of the contractor in this regard. For all practical purposes, the authorized representative for the contractor shall be Mr. ........................................... Engineer of the Company vide Employee no. ..............................................................

e) Any of the release items against replacement of new one shall be returned to JMRC.

6 Grievance redressal during AMC of Chiller

The designation and address of the First Appellate Authority is Dir (O & S), JAIPUR METRO RAIL CORPORATION, JAIPUR.

The designation and address of the Second Appellate Authority is CMD, JAIPUR METRO RAIL CORPORATION, JAIPUR.

(1) Filing an appeal

If any Bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring Entity is in contravention to the provisions of the Act or the Rules or the Guidelines issued there under, he may file an appeal to First Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action, omission, as the case may be, clearly giving the specific ground or grounds on which he feels aggrieved:

Provided that after the declaration of a Bidder as successful the appeal may be filed only by a Bidder who has participated in procurement proceedings:

Provided further that in case a Procuring Entity evaluates the Technical Bids before the opening of the Financial Bids, an appeal related to the matter of Financial Bids may be filed only by a Bidder whose Technical Bid is found to be acceptable.

(2) The officer to whom an appeal is filed under Para (1) shall deal with the appeal as
expeditiously as possible and shall endeavour to dispose it within thirty days from the date of the appeal.

(3) If the officer designated under Para (1) fails to dispose of the appeal filed within the period specified in Para (2), or if the Bidder or prospective bidder or the Procuring Entity is aggrieved by the order passed by the First Appellate Authority, the Bidder or prospective bidder or the Procuring Entity, as the case may be, may file a second appeal to Second Appellate Authority specified in the Bidding Document in this behalf within fifteen days from the expiry of the period specified in Para (2) or of the date of receipt of the order passed by the First Appellate Authority, as the case may be.

(4) Appeal not to be in certain cases

No appeal shall lie against any decision of the Procuring Entity relating to the following matters, namely:-

(a) determination of need of procurement;
(b) provisions limiting participation of Bidders in the Bid process;
(c) the decision of whether or not to enter into negotiations;
(d) cancellation of a procurement process;
(e) Applicability of the provisions of confidentiality.

(4) Form of Appeal

(a) An appeal under Para (1) or (3) above shall be in the annexed Form along with as many copies as there are respondents in the appeal.

(b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.

(c) Every appeal may be presented to First Appellate Authority or Second Appellate Authority, as the case may be, in person or through registered post or authorized representative.

(5) Fee for filing appeal

(a) Fee for first appeal shall be rupees two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non-refundable.

(b) The fee shall be paid in the form of bank demand draft or banker's cheque of a Scheduled Bank in India payable in the name of Appellate Authority concerned.

(6) Procedure for disposal of appeal
(a) The First Appellate Authority or Second Appellate Authority, as the case may be, upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and documents, if any, to the respondents and fix date of hearing.

(b) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, as the case may be, shall:

(i) Hear all the parties to appeal present before him; and

(ii) Peruse or inspect documents, relevant records or copies thereof relating to the matter.

(c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.

(d) The order passed under sub-clause (c) above shall also be placed on the State Public Procurement Portal.
