The selection method is Least Cost Based Selection (LCBS) as detailed below:

2.15.1 Single bid system, bid will be opened on scheduled time and date as per NIB. The contract will be award to technically compatible & most advantageous bidder of financial bid.

2.15.2 The ranking of L1, L2, L3 etc, will be done on basis of Total Cost, with L1 being the Bidder whose Total Cost is the lowest, L2 being the second lowest and so on.

2.15.3 In case two or more responsive bidders have quoted the same Cost, which is also the lowest amount offered, then JMRC will resort to an open auction among the same bidders(i.e. who have quoted the same Total cost) and the bidder for respective bid whose offer is lowest, shall be declared as successful bidder. The date and time of auction will be notified to the concerned bidders.
2.16 Clarification of Bids

2.16.1 To assist in the examination, evaluation, comparison and qualification of the Bids, the bid evaluation committee may, at its discretion, ask any Bidder for a clarification regarding its Bid. The committee’s request for clarification and the response of the Bidder shall be in writing.

2.16.2 Any clarification submitted by a Bidder with regard to its Bid that is not in response to a request by the committee shall not be considered.

2.16.3 No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the committee in the evaluation of the financial Bids.

2.16.4 No substantive change to qualification information or to a submission, including changes aimed at making an unqualified Bidder, qualified or an unresponsive submission, responsive shall be sought, offered or permitted.

2.16.5 All communications generated under this rule shall be included in the record of the procurement proceedings.

2.17 Evaluation & Tabulation of Bids

2.17.1 Preliminary Examination of Bids

2.17.1.1 The bid evaluation Committee constituted by the procuring entity shall conduct a preliminary scrutiny of the opened bids to assess the prima-facie responsiveness and ensure that the:

- a. Bid is signed, as per the requirements listed in the bidding document;
- b. Bid has been sealed as per instructions provided in the bidding document;
- c. Bid is valid for the period, specified in the bidding document;
- d. Bid is accompanied by bidding document fee, Bid Security.
- e. Bid is unconditional and the Bidder has agreed to give the required performance security; and
- f. Other conditions, as specified in the bidding document are fulfilled.
- g. Bid not accompanied by Bid cost, Bid security /EMD & Form E will not be considered for evaluation.

2.17.1.2 Determination of Responsiveness

- The bid evaluation Committee shall determine the responsiveness of a Bid on the basis of bidding document and the provisions of pre-qualification/ eligibility criteria of the bidding document.

- A responsive Bid is one that meets the requirements of the bidding document without any service deviation, reservation, or omission where:
  - a. “Deviation” is a departure from the requirements specified in the bidding document;
  - b. “Reservation” is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the bidding document; and
c. “Omission” is the failure to submit part or all of the information or documentation required in the bidding document.

- A service deviation, reservation, or omission is one that,
  
  If accepted, shall:-
  
  1. Affect in any substantial way the scope, quality, or performance of the subject matter of procurement specified in the bidding documents;
     OR
  
  2. Limits in any substantial way, inconsistent with the bidding documents, the procuring entity’s rights or the Bidder’s obligations under the proposed contract;
     OR
  
  3. If rectified, shall unfairly affect the competitive position of other Bidders presenting responsive Bids.

- The bid evaluation Committee shall examine the technical aspects of the Bid in particular, to confirm that all requirements of bidding document have been met without any service deviation, reservation or omission.

- The procuring entity shall regard a Bid as responsive if it conforms to all requirements set out in the bidding document, or it contains minor deviations that do not service alter or depart from the characteristics, terms, conditions and other requirements set out in the bidding document, or if it contains errors or oversights that can be corrected without touching on the substance of the Bid.

2.17.1.3 Non-Service Non-conformities in Bids

- The bid evaluation Committee may waive any non-conformity in the Bid that does not constitute a material deviation, reservation or omission, the Bid shall be deemed to be substantially responsive.

- The bid evaluation Committee may request the Bidder to submit the necessary information or document like GST certificate, PAN certificate, etc. within a reasonable period of time. Failure of the Bidder to comply with the request may result in the rejection of its Bid.

- The bid evaluation Committee may rectify non-service non-conformities or omissions on the basis of the information or documentation received from the Bidder under above.

- Bids shall be evaluated based on the documents submitted as a part of bid. Bidders are expected to quote for all the items. Similarly, in case the proposal of a Bidder is non-responsive for any item, the Bidder shall be summarily rejected.

- The evaluation shall include all costs and all taxes and duties applicable to the Bidder as per law of the Central/ State Government/ Local Authorities, and the evaluation criteria specified in the bidding documents shall only be applied;
The offers shall be evaluated and marked L1, L2, L3 etc. L1 being the lowest offer quoting least value of ‘Total Cost in financial bid. A list of L1, L2….will be prepared accordingly.

The rates quoted by L1 Bidder shall be accepted as the Bid rates.

In case of exceptional high rate for any item/sub activity, negotiation shall be held with L1 firm on the quoted rate of respective item/sub activity. In case of failure of negotiation, rate contract for that particular item shall not be entered into.

The members of bid evaluation Committee shall give their recommendations below the table regarding lowest bid or most advantageous bid and sign it.

2.18 Correction of Arithmetic Errors in Financial Bids:

2.18.1 The bid evaluation Committee shall correct arithmetical errors in substantially responsive Bids, on the following basis, namely: -

2.18.1.1 If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the bid evaluation committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;

2.18.1.2 If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (2.18.1.1) and above.

2.19 Price/procure preference in evaluation:

Price and/or procure preference notified by the State Government (GoR) and as mentioned in the bidding document shall be considered in the evaluation of Bids and award of contract.

2.20 Negotiations

2.20.1 Negotiations may, however, be undertaken with the lowest Bidder when the rates of any job type are considered to be much higher than the prevailing market rates or the rates quoted for that job type by other bidders.

2.20.2 The bid evaluation Committee shall have full powers to undertake negotiations. Detailed reasons and results of negotiations shall be recorded in the proceedings.

2.20.3 The lowest Bidder shall be informed in writing either through registered letter and e-mail (if available). A minimum time of seven days shall be given for calling negotiations. In case of urgency the bid evaluation Committee, after recording reasons, may reduce the
time, provided the lowest or most advantageous Bidder has received the intimation and consented to regarding holding of negotiations.

2.20.4 Negotiations shall not make the original offer made by the Bidder inoperative. The bid evaluation Committee shall have option to consider the original offer in case the Bidder decides to increase rates originally quoted or imposes any new terms or conditions.

2.20.5 In case of non-satisfactory achievement of rates from lowest Bidder, the bid evaluation Committee may choose to make a written counter offer to the lowest Bidder and if this is not accepted by him, the Committee may decide to reject and re-invite Bids or to make the same counter-offer first to the second lowest or most advantageous Bidder, then to the third lowest or most advantageous Bidder and so on in the order of their initial standing and work/supply order be awarded to the Bidder who accepts the counter-offer. This procedure would be used in exceptional cases only.

2.20.6 In case the rates even after the negotiations are considered very high, fresh Bids shall be invited.

2.21 Acceptance of the successful Bid and Issuance of Purchase Order

2.21.1 The procuring entity after considering the recommendations of the bid evaluation Committee and the conditions of Bid, if any, financial implications, trials, sample testing and test reports, etc., shall accept or reject the successful Bid. If any member of the bid evaluation Committee has disagreed or given its note of dissent, the matter shall be referred to the next higher authority, as per delegation of financial powers, for decision.

2.21.2 Decision on Bids shall be taken within original validity period of Bids and time period allowed to procuring entity for taking decision. If the decision is not taken within the original validity period or time limit allowed for taking decision, the matter shall be referred to the next higher authority in delegation of financial powers for decision.

2.21.3 Before issuance of work order the procuring entity shall ensure that the price of successful Bid is reasonable and consistent with the required quality.

2.21.4 A Bid shall be treated as successful only after the competent authority has approved the procurement in terms of that Bid.

2.21.5 The Bid Security of the Bidders who’s Bids could not be accepted shall be refunded soon after the contract with the successful Bidder is signed and its performance security is obtained.

2.21.6 Prior to the expiry of the period of validity of the bid, the successful bidder shall be notified through a Letter of Acceptance (LoA) sent through email to be confirmed in writing by Registered / Speed Post / By hand that its Bid has been accepted.

2.21.7 Upon receipt of the ‘LOA’, the successful bidder(s) shall return one copy of the LOA duly signed and accepted and stamped by its authorized signatory within 5 working days from the date of issue of LOA and submit the Performance Security Deposit within 20 days from the date of issue of LOA.
2.21.8 Till the signing of the Contract Agreement, the LoA shall form a binding contractual agreement between JMRC and the successful bidder as per terms of this RFP.

2.21.9 The cost of stamp duty for execution of Contract agreement and any other related legal documentation charges / incidental charges shall be borne by the successful bidder only.

2.21.10 If the bidder fails to deposit the required Performance Security Deposit or to execute the agreement within the specified period without any intimation to JMRC, such failure will be treated as a breach of the terms and conditions of the tender and may result in forfeiture of the Earnest Money Deposit (Bid Security) in part, or in full at the discretion of JMRC. Any request for extension of time for deposition of Performance Security Deposit shall be made in writing with due justification and it shall be at the discretion of JMRC to accept or reject such request.

2.21.11 In case of non-acceptance of LoA or non-signing of Agreement by the successful bidder, even after 45 days of issue of LoA, JMRC shall cancel the LoA and may award the contract to the bidder next in the ranking, at its discretion.

2.22 Procuring Entity’s right to accept or reject any or all Bids

2.22.1 The Procuring Entity reserves the right to accept or reject any Bid, and to annul (cancel) the bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the Bidders as per RTPP Act and Rules.

2.23 Right to Vary Quantity/Quality of service

If the procuring entity does not procure any subject matter of procurement or procures less than the quality/specification of service specified in the bidding documents due to change in circumstances, the Bidder shall not be entitled for any claim or compensation. This shall be at sole discretion of the procuring entity.

2.24 Performance Security Deposit

2.24.1 Prior to execution of work order, Performance security shall be solicited from successful Bidder except the departments of the State Government and undertakings, Corporations, Autonomous Bodies, Registered Societies, Co-operative Societies which are owned or controlled or managed by the State Government and undertakings of the Central Government. However, a performance security declaration shall be taken from them. The State Government may relax the provision of performance security in particular procurement or any class of procurement.

2.24.2 The amount of performance security shall be 5% of the amount of Work Order in case of procurement of goods and services.

2.24.3 Performance security shall be furnished in any one of the following forms: -

   a. Bank Draft or Banker's Cheque of a scheduled bank;
b. Bank guarantee/s of a scheduled bank. It shall be got verified from the issuing bank. Other conditions regarding bank guarantee shall be same as mentioned in the bidding document for Bid Security.

c. Fixed Deposit Receipt (FDR) of a scheduled bank. It shall be in the name of procuring entity on account of Bidder and discharged by the Bidder in advance. The procuring entity shall ensure before accepting the FDR that the Bidder furnishes an undertaking from the bank to make payment/ premature payment of the FDR on demand to the procuring entity without requirement of consent of the Bidder concerned. In the event of forfeiture of the performance security, the Fixed Deposit shall be forfeited along with interest earned on such Fixed Deposit.

2.24.4 Performance security furnished in the form specified in clause 2.24.3 [a] to [c] above shall remain valid for a period of 60 days beyond the date of completion of all contractual obligations of the Bidder, including warranty obligations and maintenance and defect liability period.

2.24.5 Forfeiture of Performance Security: Security amount in full or part may be forfeited, including interest, if any, in the following cases:-
   a. When any terms and condition of the contract is breached.
   b. When the Bidder fails to make complete supply satisfactorily.
   c. If the Bidder breaches any provision of code of integrity, prescribed for Bidders, specified in the bidding document.

2.24.6 Notice will be given to the Bidder with reasonable time before Performance Security deposited is forfeited.

2.24.7 No interest shall be payable on the Performance Security Deposit.

4 SPECIAL TERMS AND CONDITIONS OF BID & CONTRACT

4.1 Bidders to Bid for all Items

Bidder must quote for all the items mentioned in the BOQ (Bill of Quantities). In case, a Bidder does not quote for any item, the bid shall be summarily rejected.

4.2 Terms and Condition of the contract:

4.2.1 The contract shall be initially for three years and shall be further extendable with mutual consent at the same rates for next 03 months.

4.2.2 The charges of Internet lease line would be payable on quarterly basis after each quarter.

4.2.3 The leased line modem shall be arranged by the Internet service provider (ISP), Internet LAN wiring and LAN switches will be arranged by JMRC.

4.2.4 Ownership of last mile hardware installed by Internet Service Provider, i.e., leased line modem etc. will be with Internet Service Provider. Maintenance of the equipment will be the responsibility of the ISP.

4.2.5 A fault docket number and Customer Care Email ID shall be provided to the JMRC from Internet Service Provider on booking of fault.

4.3 Broad Condition of Service Level Agreement:

4.3.1 General Condition

a. During the period of agreement, ISP shall ensure proper functioning of leased circuits for an uptime of 99.9%.

Uptime is defined as below:

\[
\text{Uptime (\%)} = \frac{\text{Total no. of Hours in the year} - \text{Total Downtime (in Hours)} \times 100}{\text{Total no. of Hours in the year}}
\]

b. The first month of the service will be taken as ‘proving-in’ period. Though ISP/TSP shall maintain the circuit to the highest possible efficiency during this period, no rebates as mentioned in clause 3.1.7 this agreement shall be applicable.

c. The JMRC shall provide reliable and regulated A/C Power Supply for working of the network termination unit (NTU) all the time. The JMRC shall also keep the NTU powered on round the clock.

d. For the purpose of measurement, “downtime” or “fault duration” constitutes any period of time during which the Leased Circuit is unable to transfer data due to the reasons assignable to ISP’s network. Causes of downtime may include but are not limited to:

- Leased Circuit equipment (i.e. NTU) failures, installed by ISP at JMRC premises
- Circuit Outage (at ISP end only)
- Leased Circuit device hardware failure/malfunction (at ISP end only)
- Leased Circuit software failure/malfunction
- Power outages (in ISP)
- Human error (in ISP)
- Process failure (in ISP)
- Local Loop failure between the ISP Managed node and JMRC’s node (Fiber cut).

4.3.2 Determination of Fault Duration

a. Duration of fault will start from the time call is made or email is sent from JMRC to ISP except when the fault is booked between 2200 hours to 0700 hours on next day in which case in which case the fault duration shall start from 0700 hours.

b. The period in which JMRC premises is found closed when ISP staff visits the premises for testing or want to test the circuit from ISP location, will be excluded from fault duration.

c. The JMRC shall provide all necessary assistance and access to its facilities for preventive and corrective maintenance to ISP staff all the time.

d. In addition to the above following shall be excluded from fault duration.

i) Unavailability of circuit due to power failure at JMRC end.

ii) Unavailability of circuit due to mishandling of ISP equipment (NTU) or any cables attached to such equipment at JMRC end.

iii) Unavailability of circuit due to JMRC equipment/network at either end of the circuit.

iv) Unavailability of circuit due to force majeure.

v) Fault duration between 2200 hrs. And 0700 hrs. Next day, if fault is booked after 2200 hrs.

4.3.3 Procedure of Fault booking

a. JMRC shall book the fault on number of ISP or by sending an email on the assigned email address (es)/ number(s). Time of booking of fault shall be taken as reference for the purpose of calculation of duration of non-availability of circuit.

b. If JMRC is unable to find a ISP representative on the email address (es)/ number(s) assigned above, the fault can be booked on an alternate email address (es)/ number(s) in such emergency. Status/fault report generated by ISP shall be taken as reference in situations where there is ambiguity about the timing and nature of fault.

c. A fault docket number shall be provided to the JMRC from ISP on booking of fault.

d. ISP shall update JMRC about any change in the fault booking number/email addresses.
4.3.4 Restoration of Faults

a. On receipt of complaint, ISP shall make its best efforts to localize the fault and restore the same at the earliest. The JMRC shall provide all necessary support for enabling testing of the circuit at any hour of the day.

b. It will be responsibility of ISP to show proper working of circuit on end to end basis through use of test instruments by sending test data while at the same time keeping the bit error rate within limits. Once circuit is brought to right condition through such tests and the data transfer by JMRC equipment does not take place, it shall be the responsibility of the JMRC to take necessary action at his end. The downtime will end as soon as ISP staff is able to show end to end data transfer using test instruments to JMRC staff.

c. Faults booked before 2200 hours shall be attended on the same day. However, for faults booked after 2200 hours, while ISP will make all efforts to restore the circuit during the night to the extent feasible, the fault restoration work can be resumed by 0700 hours the next day.

4.4 Payment Terms and Schedule

4.4.1 The currency or currencies in which payments shall be made to the supplier/Contractor under this Contract shall be Indian Rupees (INR) only.

4.4.2 Due payments shall be made promptly by the procuring entity after submission of an invoice or request for payment by the supplier/contractor and the purchaser has accepted it.

4.4.3 All remittance charges will be borne by the supplier/Contractor.

4.4.4 Advance Payment will not be made. The charges of Internet lease line would be payable on quarterly basis after each quarter.

4.5 Other Special Terms

4.5.1 In case the Bidder fails to supply the final deliverables within stated timelines, the LD as per clause 3.1.7 “liquidated damage” would be applicable.
