• Every Report should be exportable to Excel.

2) Providing Support and Maintenance for HR & Payroll Package:
• Providing support for minor modifications/ up gradations for one year including additions of fields in data base and modifications in report(s) format(s).
• Providing support in report generations and pay generation for one year.
• Providing training to JMRC users as and when required.
• Maintenance and support period of one year shall start immediately after generation of first month's salary.
• Maximum response time per request shall not be more than two working days. Any subsequent delay shall invite Liquidated Damage @ Rs. 250 per day in addition to deduction of proportionate maintenance & support charge.

C. Other Terms and Conditions:
• The firm shall provide one year maintenance support which can be further extended on mutual consent basis.
• The Software application shall be hosted on a server to be installed in JMRC premises at Khanij Bhawan or on a hired web-space. The user(s) / administrator(s) shall access the application through JMRC LAN or through Internet. Proper security arrangement against unauthorised access (fire-walling) needs to be developed.

• All the development activities shall be carried out on the hardware/software to be arranged by the successful firm. However, within 3 days of work order, the firm shall intimate JMRC the detailed specifications of the hardware and software required and also for the web space hiring (in case JMRC desires for the same) for this purpose. The same shall be arranged by JMRC subsequently. The developed application shall be transferred on the JMRC Hardware / JMRC hired web-space.

• The source code of the software developed shall be made over to JMRC before final payment.

• Development schedule

<table>
<thead>
<tr>
