RSRTC A Birds Eye View

For enhancing the convenience of Rajasthan's travelling public, Rajasthan State Road Transport Corporation was set up on 1st October, 1964 under the provisions of Road Transport Act 1950. Ever since the corporation was set up in 1964 a well co-ordinated and integrated transport policy was framed to achieve basic goals and secure social stability; this was achieved through national integration of minds with the required political cohesion and social interaction. This facilitated free personnel movement inside the country RSRTC is proud of its national role and its firm resolve to expand its operation taking pride in corporate discipline and resolute management with the objectives and targets of all round development. We have on record an impressive pattern of road transport growth over the years. Our fleet has increased to 4802 from 421. We are transporting daily about 10.74 lacs passengers and operating on routes connecting 32 districts of Rajasthan and neighboring states. For better convenience of the passengers. RSRTC has set up ell planned bus stands in all the important locatin with all public amenities as weel as way side bus stands erected at almost all the boarding points throughout Rajasthan. RSRTC is also fully aware of its social responsibilities and providing free and concessional travel to a series of sections of the society including Press People, Freedom Fighters, Blind, Cancer Patients, Handicapped etc.

Extended travelling facility to the colonies and sub-urban towns in and around Jaipur city. Irrespacespective of the heavy financial loss on this operation, RSRTC has been operating about 250 city buses per day. For late night passengers, selected city night service buses connecting Railway Station, Bus Stand have also been operated by RSRTC. The process of development and expansion of facility to the commuters is regular process in RSRTC and RSRTC is rightly

expending its responsibility. For declaring its public responsibility this citizen charter has been published for better transparency and accountability.

Objective

The corporation's main objectives are:

To provide efficient, adequate, safe and well co-ordinate passenger transport service.
