Envelope B shall contain the original price bid (BOQ) with pricing duly signed by contractor.

- 8.2 The prices shall be entered in the Form of Bid and the BOQ enclosed in words as well as in figures. These prices should include all costs associated with the contract.
- 8.3 Documents to be submitted by the Bidders under technical and financial packages have been described under the respective Clauses 8.1 of ITB. This list of documents has been prepared mainly for the convenience of the Bidders and any omission on the part of the Employer shall not absolve the Bidders of his responsibility of going through the various clauses in the Bid Documents including the specifications and to submit all the details specifically called for (or implied) in those clauses.
- 8.4 All documents issued for the purposes of Bidding as described in Clause 1.2.4, and any amendments issued in accordance with Clause 6.0 shall be deemed as incorporated in the Bid.
- 8.5 In case of a joint venture/consortium, information as required under clause 2.2, in respect of each partner/company including Forms T-I to T-VII will be required to be furnished. Additional sheets may be used wherever necessary.

9.0 BID PRICES

- 9.1 The Bidders is required to quote for all the items as per Bid documents.
- 9.2 Price quoted by the Bidders shall be inclusive of all taxes/duties/levies etc. The contractor shall ensure full compliance with tax laws of India with regard to this contract and shall be solely responsible for the same. The contractor shall submit copies of acknowledgements evidencing filing of returns every year and shall keep the Employer fully indemnified against liability of tax, interest, penalty etc. of the contractor in respect thereof, which may arise.
- 9.3 The Bidders shall keep the contents of his Bid and rates quoted by him confidential.
- 9.4 The rate quoted shall be reasonable and not unbalanced. If the Engineer came across any unbalanced rates, he may require the Bidders to furnish detailed analysis to justify the same. If after its examination, the Engineer still feels the rates to be unbalanced, he may ask the Bidders other safeguards to protect Employers interest against financial loss. If the Bidders fail to comply with this, his Bid shall be liable to be rejected by the Employer.
- 9.5 The Bidders shall utilize Indian labour, staff and materials to the maximum extent possible in execution of Works.
- 9.6 The successful Bidders should arrange for refund of taxes and duties paid or would have been paid to the fullest extent JMRC is entitled.. All records for payment of sales tax on works contract, VAT, custom duty and Excise duties paid by the successful Bidders during execution of contract will be maintained to facilitate refund of taxes and duties for JMRC (if applicable). In case the amount of any of these taxes/duties actually paid and exemption availed by the successful Bidders is less than what has been indicated by them in your offer, the difference of the same will also be paid to JMRC. The effect of variation in quantities both +ve and -ve will be dealt separately.

10.0 CURRENCIES OF THE BID

- 10.1 Bid prices shall be quoted in Indian Rupees only.

11.0 BID VALIDITY

- 11.1 The Bid shall remain valid and open for acceptance for 90 days from the date of submission of Bid.

11.2 In exceptional circumstances, prior to expiry of the original Bid validity period, the Employer/the Engineer may request the Bidders for a specified extension in the period of validity. The request and the response thereto shall be made in writing or by telefax. A Bidder may refuse the request without forfeiting his Bid security. A Bidders agreeing to the request, shall not be required or permitted to modify his Bid but will be required to extend the validity of his Bid security correspondingly.

12.0 BID SECURITY

12.1 The Bidders shall furnish, as Bid security, an amount as mentioned in NIB.

12.2 The Bid security will be in the form of Demand Draft/Bankers cheque in the name of Jaipur Metro Rail Corporation payable at Jaipur. Bank Guaranty having validity of 120 days from date of submission of Bid may also be submitted as Bid security.

12.3 Any Bid not accompanied by an acceptable Bid security will be summarily rejected by Employer/Engineer considering the bid as non-responsive.

12.4 The Bid securities of unsuccessful Bidders shall be discharged/returned by the Employer as promptly as possible as within 30 days after the expiration of the period of Bid validity as defined in Clause 11.0. In this connection, Clause 25.3 may also be referred to.

12.5 The Bid security of the successful Bidders shall be returned upon the Bidders executing the Contract Agreement after furnishing the required performance guarantee for performance, as mentioned in Clause 27.0

12.6 The Bid security shall be forfeited:

1. If a Bidders withdraws his Bid during the period of Bid validity, or
2. If the Bidders does not accept the correction of his tendered price in terms of Clause 22.0 or
3. In the case of a successful Bidder, if he fails to:
 - a. Furnish the necessary performance guarantee for performance as per Clause 27.0 and/or
 - b. Enter into the Contract within the time limit specified in Clause 26.0
 - c. Commence the work as per terms and conditions of Bid after issuance of LOA.

12.7 No interest will be payable by the Employer on the Bid security amount cited above.

13.0 FORMAT AND SIGNING OF BIDS

13.1 If the Bid is submitted by a proprietary firm it shall be signed by the proprietor above his full name and the full name of his firm with its current address.

13.2 If the Bid is submitted by a firm in partnership, it shall be signed by a partner holding the power of Attorney for the firm. A certified copy of the Partnership deed and power of attorney shall accompany the Bid. Alternatively, all the partners shall sign it.

13.3 If the Bid is submitted by a limited company or a limited corporation, it shall be signed by a duly authorized person holding the power of attorney for the firm. A certified copy of the power of attorney shall accompany the Bid.

13.6 The complete Bid shall be without alterations, overwriting, interlineations or erasures except those to accord with instructions issued by the Employer, or as necessary to correct errors made by the Bidders. All amendments/corrections shall be initialed by the person signing the Bid.

13.7 All witnesses and sureties shall be persons of status and probity and their full names, occupations and addresses shall be written below their signatures.

14.0 SEALING AND MARKING OF BIDS

14.1 Each page of tender documents has to be signed by the bidder. The both sealed covers (Envelope-A & Envelope-B) are to be put together in a bigger cover which should also be sealed and superscribed with name of bidder and name of the work. The bid shall be submitted in the manner as described in clause 15.0.

15.0 SUBMISSION OF BIDS

- 15.1 The Bids will be submitted physically in tender box in the office of GM (Traction/E&M), JMRC according to the date/time/place specified in NIB.
- 15.1.1 All pages of the Bid document and the addendums/amendments uploaded by the Jaipur Metro Rail Corporation on the website www.jaipurmetrorail.in or www.sppp.raj.nic.in shall be deemed to have been initialled and accepted by the persons signing the bid when they submit their bid.
- 15.1.2 The documents listed in ITB clause along with the addendums uploaded till the date of Bid of submission, shall be filled by the Bidders to bind the Bidders to the contract. All the pages of the Bid documents shall be signed by the bidder.
- 15.1.3 All omissions in the schedule of prices, must be serially numbered and attested by the Bidders at every page, as also by the officers opening the Bids, so as to make further disputes impossible on the score.
- 15.1.4 All Bid is which any of the prescribed conditions are not fulfilled or which have been vitiated by errors in calculations, totalling or other discrepancies or which contain over-writing in figures or words or corrections not initialled and dated, may be liable to rejection.

16.0 LATE BIDS

- 16.1 Any Bid after the deadline prescribed for submission of Bids in NIB herein will not be received on website.

BID OPENING AND EVALUATION

17.0 BID OPENING

- 17.1 The duly authorized Committee of JAIPUR METRO RAIL CORPORATION will open the Bids in the presence of Bidders(s) or their authorized representative(s) who may choose to be present at the time of Bid opening, if the Bidders wishes. The Bids shall be opened in two stages. In first stage the Techno Commercial Bid (Envelope A) shall be opened and evaluated. The Price Bid shall be opened of responsive Bidders qualified by competent authority, at a later date, which will be informed to all responsive and qualified Bidders.
- 17.2 In first stage, Techno Commercial Bid of the Bids will be opened. The Bidders' names, the presence (or absence) of Earnest Money, and other details such as deviations proposed in Covering letter, financial & technical eligibility etc. will be announced by the Bid Opening Committee at the time of opening or same shall be available at the web-site.
- 17.3 Preliminary Examination of Bids, the contents of the Techno Commercial Bid, documents of the individual Bids will be examined summarily in order to assess their formal conformity and agreement with the instructions and guidance to the Bidders and the completeness. Any Bid not conforming to any of these requirements may be disqualified forthwith at the discretion of JAIPUR METRO RAIL CORPORATION.

18.0 PROCESS TO BE CONFIDENTIAL

- 18.1 Except the public opening of Bid, information relating to the examination, clarification, evaluation and comparison of Bids and recommendations concerning the award of Contract shall not be disclosed to Bidders or other persons not officially concerned with such process.
- 18.2 Any effort by a Bidders to influence the Employer/Engineer in the process of examination, clarification, evaluation and comparison of Bids and in decisions concerning award of contract, may result in the rejection of the Bid.

19.0 CLARIFICATION OF BIDS

- 19.1 To assist in the examination, evaluation and comparison of Bids, the Engineer / Employer may ask Bidders individually for clarification of their Bids, including breakup of prices. The request for clarification and the response shall be in writing or by telefax but no change in the price or substance of the Bid shall be sought, offered or permitted except as required to confirm correction of arithmetical errors discovered by the Engineer during the evaluation of Bids in accordance with Clause 22.0 herein.

20.0 DETERMINATION OF RESPONSIVENESS

- 20.1 Prior to the detailed evaluation of Bids, the authorised committee of JMRC will determine whether each Bid is responsive to the requirements of the Bid documents.
- 20.2 For the purpose of this Clause, a responsive Bid is one which confirms to all the terms, conditions and specifications of the Bid documents without material deviation or reservation. "Deviation" may include exceptions, exclusions & qualifications. A material deviation or reservation is one which affects in any substantial way the scope, quality, performance or administration of the works to be undertaken by the Bidders under the Contract, or which limits in any substantial way, the Employer's rights or the Bidders

obligations under the Contract as provided for in the Bid documents and / or is of an essential condition, the rectification of which would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids at reasonable price.

20.3 If a Bid is not substantially responsive to the requirements of the Bid documents, it will be rejected by the Employer, and will not subsequently be permitted to be made responsive by the Bidders by correction or withdrawal of the non-conformity or infirmity. However minor clarification if required may be asked from the Bidders.

20.4 The decision of the Engineer/Employer as to which of the Bids are not substantially responsive or have impractical / methods or Programme for execution shall be final.

21.0 EVALUATION OF BID

21.1 The Employer will, keeping in view the contents of Clause 1.3 and 8.1.1, carry out Techno Commercial Evaluation of submitted Techno Commercial Bid to determine that the Bidders has a full comprehension of the work of the contract. Where a Bidders Techno Commercial proposals submitted has a major inadequacy his Bid will be considered to be non-complaint and will be rejected.

21.2 Technically acceptable Bids will be eligible for consideration of their financial proposals (Price Bid Envelope ó B).

21.3 The evaluation of financial proposals by the Employer / Engineer will take into account, in addition to the Bid amounts, the following factors:

- a. Arithmetical errors corrected by the Employer/Engineer in accordance with Clause 22.0
- b. Such other factors of administrative nature as the Employer/Engineer may consider to have a potentially significant impact on contract execution, price and payments, including the effect of items or unit rates that are unbalanced or unrealistically priced.

21.4 Offers, deviations and other factors, which are in excess of the requirements of the Bid documents or otherwise will result in the accrual of unsolicited benefits to the Employer, shall not be taken into account in Bid evaluation.

21.5 Price adjustment provisions applicable during the period of execution of the contract shall not be taken into account in Bid evaluation.

21.6 Evaluation of financial proposal will be based on pricing schedule/quantities in Bill of Quantity (BOQ) and rates quoted. Any alteration in BOQ will not be given any cognizance.

21.7 The duly authorized Engineer / Committee reserves the right to ask for submission of the source of procurement for the materials for which the bidder has quoted his rates before the bid can be considered for acceptance. If the bidder, who is called upon to do so, does not submit within a reasonable time of written order to do so, JAIPUR METRO RAIL CORPORATION shall be at liberty to forfeit the said earnest money absolutely.

22.0 CORRECTION OF ERRORS

22.1 The original financial Bid or the revised financial Bid as the case may be, of all qualified bidders determined responsive will be opened at a date notified to all qualified bidders. The authorized Bid opening committee of JAIPUR METRO RAIL CORPORATION, Jaipur will open the price bid. Errors will be corrected by the Employer / Engineer as follows:

- a. Where there is a discrepancy between amounts in figures and in words, the amount in words will govern; and
- b. Where there is a discrepancy between the unit price and the total amount derived from the multiplication of the unit price and the quantity, the unit price as quoted will normally govern unless in the opinion of the Employer / Engineer there is an obviously gross misplacement of the decimal point in the unit price, in which event, the total amount as quoted will govern.

22.2 If a Bidder does not accept the correction of errors as outlined above, his Bid will be rejected and the Bid Security forfeited.

AWARD OF CONTRACT

23.0 AWARD CRITERIA

23.1 Subject to Clause 9.3 and 21.0, the Employer will award, the Contract to the Bidders, whose Bid has been determined to be substantially responsive, technically & financially suitable, complete and in accordance with the Bid documents.

24.0 EMPLOYER'S RIGHT TO ACCEPT ANY BID AND TO REJECT ANY OR ALL BIDS

- 24.1 Notwithstanding Clause 23.0, the Employer reserves the right to accept or reject any Bid, and to annul the Bid process and reject all Bids, at any time prior to award of Contract,
- 25.0 NOTIFICATION OF AWARD**
- 25.1 Prior to the expiry of the period of Bid validity prescribed by the Engineer/Employer, the Engineer/Employer will notify the successful Bidders by telegram or telefax, to be confirmed in writing by registered letter, that his Bid has been accepted. This letter (hereinafter and in the Conditions of Contract called 'the Letter of Acceptance') shall name the sum which the Employer will pay to the Contractor in consideration of the execution, completion of the works by the Contractor as prescribed by the Contract (hereinafter and in the conditions of Contract called the Contract Price'). The 'Letter of acceptance' will be sent in duplicate to the successful Bidders, who will return one copy to the Employer duly acknowledged and signed by the authorized signatory, within three days of receipt of the same by the him. No correspondence will be entertained by the Employer from the unsuccessful Bidders.
- 25.2 The Letter of Acceptance will constitute a part of the contract.
- 25.3 Upon 'Letter of acceptance' being signed and returned by the successful Bidders as per Clause 25.1, the employer will promptly notify the unsuccessful Bidders and discharge / return their Bid securities.
- 26.0 SIGNING OF AGREEMENT**
- 26.1 The Employer shall prepare the Agreement in the Performa (Form E) included in this Document, duly Incorporating all the terms of agreement between the two parties. Within 45 days from the date of issue of the letter of acceptance, the successful Bidders will be required to execute the Contract Agreement (or just after clearance of performance guarantee by bank).
- 27.0 PERFORMANCE SECURITY**
- 27.1 Within 30 days of receipt of the letter of Acceptance the successful Bidders shall furnish performance Security @ 10% of the estimated cost, as per clause 4.2 of General Conditions of Contract. If bidder choose to submit BG as performance security, the form of Bank Guarantee should be as per Form D of ITB.
- 27.1.1 The Bank guarantee (BG) submitted by the contractor should be sent to GM (Traction/E&M), JMRC, IInd Floor, RSIC Wing, Udyog Bhawan, Tilak Marg, Jaipur 302005 by the issuing bank under Registered Post.
- 27.1.2 In case the original BG is submitted through the contractor, the issuing bank should requested to immediately send by Registered Post an unstamped duplicate copy of the bank guarantee directly to GM (Traction/E&M), JMRC, IInd Floor, RSIC Wing, Udyog Bhawan, Tilak Marg, C- Scheme Jaipur 302005
- 28.0 Cancellation OF Letter of Acceptance (LOA) and Form of Bid**
- 28.1 In case successful Bidders fails to commence the work (for whatsoever reasons) as per terms and conditions of Bid after issuance of LOA then the LOA shall be cancelled and the Bid security shall be forfeited.
- 29.0 Pre-Bid Conference**
- 29.1 A Pre-Bid Conference shall be held on the date and location given in the NIB.
- 29.2 The purpose of conference will be to clarify issues and to answer the question on any matters that may be raised at that stage.
- 29.3 The bidder is requested to submit any question in writing or fax or email, to reach the employer not later than the last date of seeking clarification as mentioned in NIB.
- 29.4 The text of the question raised by the bids and the response given will be transmitted without delay to all purchasers of the bid documents. Any modification of bid documents which may become necessary as result of the Pre-Bid Conference shall be made by the employer exclusively by the issue of any Addendum/clarification/ corrigendum.
- 29.5 Nonattendance at the Pre-Bid Conference will not be a cause for disqualification of a bidder.

Name of Work : "Rate Contract for Miscellaneous Electrical Works in JMRC"

To,

**GM (Traction/E&M),
JMRC, IInd Floor, RSIC Wing,
Udyog Bhawan, Tilak Marg,
C- Scheme Jaipur 302005**

1. Having visited the site and examined the General Conditions of Contract as well as Special Conditions of Contract, Specifications, Instructions to Bidders, for the execution of above named works, we the undersigned, offer to execute and complete such works and remedy defects therein in conformity with the said Conditions of Contract, Specifications, and Addenda for the amount indicated in BOQ.
2. We acknowledge that the Appendix forms an integral part of the Bid.
3. We undertake, if our Bid is accepted, the time of completion of contract is one year which may be extended further for 6 months on mutual acceptance on same terms and conditions of contract.
4. If our Bid is accepted, we will furnish at our option a Performance security for the due performance of the Contract. The amount and form of such security will be in accordance with Clause 4.2 of the General Conditions of the Contract.
5. We have independently considered the Clauses of the General Conditions of Contract as liquidated damages and agree that they represent a fair estimate of the damages likely to be suffered by you in the event of the work not being completed in time.
6. We agree to abide by this Bid for a minimum period of 90 days (for subsequent years, as per clause 11.0 of ITB) from the date fixed for receiving the same and it shall remain binding upon us and may be accepted at any time before the expiry of that period or any extended period mutually agreed to.
7. Unless and until a formal Agreement is prepared and executed, this Bid, together with your written acceptance thereof, shall constitute a binding contract between us.
8. We declare that the submission of this Bid confirms that no agent, middleman or any intermediary has been, or will be engaged to provide any services, or any other item of work related to the award and performance of this Contract. We further confirm and declare that no agency commission or any payment, which may be construed as an agency commission has been, or will be, paid and that the Bid price does not include any such amount.
9. We acknowledge the right of the Employer, if he finds to the contrary, to declare our Bid to be non-compliant and if the Contract has been awarded to declare the Contract null and void.
10. We understand that you are not bound to accept the lowest or any Bid you may receive.
11. If our Bid is accepted we understand that we are to be held solely responsible for the due performance of the Contract.

FORM OF PERFORMANCE SECURITY (GUARANTEE) BY BANK**(Refer Clause 27.0 of "Instructions to Bidders")**

1. This deed of Guarantee made this day of _____ 2014 between Bank of _____ (hereinafter called the "Bank") of the one part, and Jaipur Metro Rail Corporation Limited (hereinafter called "the Employer") of the other part.
2. Whereas Jaipur Metro Rail Corporation limited has awarded the contract for -"**Rate Contract for Miscellaneous Electrical Works in JMRC**" of Jaipur Metro Rail corporation (hereinafter called "the Contract") to M/s _____ (Name of the Contractor) (hereinafter called "the Contractor")
3. AND WHEREAS the Contractor is bound by the said Contract to submit to the Employer a Performance Security for a total amount of Rs. _____ (Amount in figures and words).
4. Now we the Undersigned _____ (Name of the Bank) being fully authorized to sign and to incur obligations for and on behalf of and in the name of _____ (Full name of Bank), hereby declare that the said Bank will guarantee the Employer the full amount of Rs. _____ (Amount in figures and Words) as stated above.
5. After the Contractor has signed the aforementioned Contract with the Employer, the Bank is engaged to pay the Employer, any amount up to and inclusive of the aforementioned full amount upon written order from the Employer to indemnify the Employer for any liability of damage resulting from any defects or shortcomings of the Contractor or the debts he may have incurred to any parties involved in the Works under the Contract mentioned above, whether these defects or shortcomings or debts are actual or estimated or expected. The Bank will deliver the money required by the Employer immediately on demand without delay without reference to the Contractor and without the necessity of a previous notice or of judicial or administrative procedures and without it being necessary to prove to the Bank the liability or damages resulting from any defects or shortcomings or debts of the Contractor. The Bank shall pay to the Employer any money so demanded notwithstanding any dispute/disputes raised by the Contractor in any suit or proceedings pending before any Court, Tribunal or Arbitrator/s relating thereto and the liability under this guarantee shall be absolute and unequivocal.
6. This Guarantee is valid for a period of **18 Months** from the date of signing of the agreement.
7. At any time during the period in which this Guarantee is still valid, if the Employer agrees to grant a time extension to the Contractor or if the Contractor fails to complete the Works within the time of completion as stated in the Contract, or fails to discharge himself of the liability or damages or debts as stated under Para 5, above, it is understood that the Bank will extend this Guarantee under the same conditions for the required time on demand by the Employer and at the cost of the Contractor.
8. The Guarantee hereinbefore contained shall not be affected by any change in the Constitution of the Bank or of the Contractor.
9. The neglect or forbearance of the Employer in enforcement of payment of any moneys, the payment whereof is intended to be hereby secured or the giving of time by the Employer for the payment thereof shall in no way relieve the bank of their liability under this deed.
10. The expressions "the Employer", "the Bank" and "the Contractor" hereinbefore used shall include their respective successors and assigns.

In witness whereof I/We of the bank have signed and sealed this guarantee on the _____ day of _____ (Month) 2013 being herewith duly authorized.

SPECIAL CONDITIONS OF CONTRACT

1.0 SPECIAL ATTENTION

1.1 The Contract will be awarded to the Bidders whose responsive Bid is determined to be the lowest evaluated Bid and who satisfies the appropriate standards of capacity and financial resources. Clause 23.0 and 24.0 of Instructions to Bidders may be referred to in this connection.

1.2 Rates should be quoted in a such a way that last three digit of estimated cost of items does not match with last three digits of quoted rates of that items. This has been done to avoid tie.

2.0 RIGHT OF WAY

Right of way (within JMRC land) to the work site will be provided to the Contractor.

3.0 COORDINATION WITH OTHER CONTRACTORS

The contractor for this package shall plan and execute work in coordination and in co- operation with other contractors working for adjacent/other packages,

4.0 SUFFICIENCY OF BID

4.1 The Bidders shall be entirely responsible for sufficiency of rates quoted by him in his Bid.

4.2 The Contractor (Successful Bidders) shall be paid for only at quoted/accepted rates for the activities given in the schedule of work Annexure - A.

5.0 NOTICES AND INSTRUCTIONS

5.1 The Contractor shall furnish to the Employer/Engineer the postal address of his office at JAIPUR. Notice or instructions to be given to the Contractor under the terms of the contract shall be deemed to have been served on him if it has been delivered to his authorised agent or representative at site or if it has been sent by registered post to the office, or to the address of the firm last furnished by the Contractor.

6.0 RESPONSIBILITY FOR SPECIFICATIONS

6.1 Specifications

One copy of specifications shall be supplied to the Contractor. The Contractor shall promptly inform the Engineer of any error, omission, fault and other defects in the Specifications, which are discovered when reviewing the Contract Documents or in the process of execution of the Works.

7.0 SUPPLY OF MATERIALS TOOLS, AND EQUIPMENT BY THE EMPLOYER

7.1 No material, tools, and equipment shall be supplied by the Employer. The Contractor has to arrange all tools, equipment, nothing extra shall be payable to the Contractor on this account. The contractor should have the capacity to keep the equipments in good fettle.

8.0 USE AND CARE OF SITE

8.1 The Contractor shall not demolish, remove or alter structures or other facilities on the site without prior approval of the in-charge.

8.2 All garbage/debris shall be removed from site as they accumulate. All garbage/debris shall be disposed to the approved Jaipur Nagar Nigam locations in covered position. The transportation for disposing the debris shall also be arranged by the contractor. The Waste disposal shall be done in sealed condition without affecting the Environment.

8.3 All Electrical Works shall be done under the supervision of an authorized representative of JMRC.

8.4 Accidents; - It shall be the entire responsibility of the contractor to adopt all the safety measures in deploying personnel who are adequately trained in safety. If any accident occurs due to negligence on the part of the contractor's personnel, it shall be the full responsibility of the contractor.

9.0 DUTIES, TAXES, OCTROI, ROYALTY ETC

9.1 The rates quoted by the Bidders for all materials, required to be purchased for the satisfactory performance of this contract, shall be deemed to be inclusive of all duties, taxes, octroi, royalties, rentals etc.

9.2 The Contractor shall ensure full compliance with tax laws of India with regard to this contract and shall be solely responsible for the same.

10.0 SALES TAX CLEARANCE CERTIFICATE

10.1 If the Contractor is a Sales Tax / VAT assesses, he should produce a valid Sales Tax / VAT Clearance Certificate before payment of final bill; otherwise, final payment to the Contractor will be withheld.

10.2 If the Contractor is not liable to Sales Tax assessment, a certificate to this effect from a competent Sales Tax authority shall be produced before payment of final bill. Otherwise final payment to the Contractor will be withheld.

11.0 HOUSING FACILITIES

11.1 The Contractor shall have to make his own arrangements for housing facilities for his staff

12.0 SUPPLY OF WATER AND ELECTRICITY

12.1 The Employer shall make arrangements for Water supply and Electricity necessary for the Works.

12.2 The contractor shall make his own arrangements to tap the Electricity from the nominated sockets / points. The contractor shall tap the Electricity as per IE Rules IE Act (Latest) duly following all safety precautions. The contractor shall submit full scheme for the requirement of Electricity/Water. If scheme mentions Electricity requirement which is beyond the capacity of the Employer, in that case the contractor shall make his own arrangements / alternative arrangements.

12.3 The Contractor should make his own arrangements to draw the water from the available water point to the working place in such a manner without affecting the premises.

12.4 The Contractor should make his own arrangements for Electricity and Water if the Employer fails to provide Electricity and Water supply due to technical or any other reasons beyond the control of the Employer.

13.0 ACCESS ROADS AND HAUL ROADS

The Contractor shall repair any damage to the road or bear the cost thereof due to movement of contractor's plants and equipment, vehicles etc. to the specifications and satisfaction of road authorities as well as of Engineer.

14.0 DEDUCTIONS TO BE MADE FROM CONTRACTORS BILL

14.1 Tax deduction at source from each on-account progress bill shall be made by the employer as per the provisions of the statutes/acts of statutory bodies/local authorities etc.

15.0 SECURITY MEASURES

15.1 Security arrangements for the work shall be in accordance with general requirements and the Contractor shall confirm to such requirements and shall be held responsible for the action or inaction on the part of his staff, employees.

15.2 Contractors employees and representatives shall wear Identification Badges (cards), uniforms, helmets, gum boots other safety/protection wear as directed by in charge, and to be provided by the Contractor. Badges shall identify the Contractor and show the employees name and number and shall be worn at all times while at site.

15.3 Only authorized staff of Contractor having proper photo Identity Card issued by the contractor and with Permission granted by JMRC, shall be permitted to work for contract for electrical works.

16.0 ECOLOGICAL BALANCE

16.1 The Contractor shall maintain ecological balance by preventing deforestation, water pollution and defacing of natural landscape. The Contractor shall, so conduct his works, as to prevent any avoidable destruction, scarring or defacing of natural surrounding in the vicinity of work. In respect of ecological balance, the Contractor shall observe the following instructions.

- a) Where destruction, scarring, damage or defacing may occur as a result of electrical works, the same shall be repaired, replanted or otherwise corrected at Contractors expense. All work areas shall be smoothed and graded in a manner to confirm to natural appearance of the landscape as directed by the Engineer.
- b) All trees and shrubbery, which are not specifically required to be cleared or removed for works purposes, shall be preserved and shall be protected from any damage that may be caused by Contractors works and equipment. The removal of trees or shrubs will be permitted only after prior approval by the Incharge. Trees shall not be used for anchorage. The Contractor shall be responsible for injuries to trees and shrubs caused by his works. The term injury shall include, without limitation, bruising, scarring, tearing and breaking of roots, trunks or branches. All injured trees and shrubs shall be restored as nearly as practicable, without delay, to their original condition at Contractor's expenses.
- c) In the conduct of electrical activities and operation of equipment, the Contractor shall utilize such practicable methods and devices as are reasonably available to control, prevent and otherwise minimize air/noise pollution.

16.2 Separate payment shall not be made for complying with provisions of this clause and all cost shall be deemed to have been included in the price in the Bill of Quantities.

17.0 PAYMENT

17.1 For the purpose of On-account payment, the contractor shall submit detailed activities carried out as per BOQ recorded in Measurement sheets, Abstract sheets along with recorded bill for the item actually executed for checking and payment. Payment will be effected based on unit rates as approved in the Bill of Quantities.

17.2 The payment shall be made after satisfactory completion of individual work.

17.3 If any work/item not carried out as per the specification of the work the proportion amount will be deducted from the bill. If the work carried out through other agency under the intimation to contractor and the charges incurred on it will be deducted from the contractor's bill.

17.4 The contractor shall submit necessary documents and Bill in the standard format for payment.

18.0 NOISE AND DISTURBANCE/POLLUTION

18.1 All works shall be carried out without unreasonable noise and disturbance. The Contractor shall indemnify and keep indemnified the Employer from and against any liability for damages on account of noise or other disturbance created while carrying out the work, and from and against all claims, demands, proceedings, damages, costs, charges, and expenses, whatsoever, in regard or in relation to such liability.

Subject and without prejudice to any other provision of the Contract and the law of the land and its obligation as applicable, the Contractor shall take all reasonable precautions.

19.0 ADVANCES

No advances shall be paid to the Contractor

20.0 PRICE VARIATION CLAUSE

No price variation during the agreement period / extended period of agreement.

21.0 Contractor shall be responsible for insurance cover under the following requirements:

- a) All of the contractor staff shall have to be covered under ESI. The Contractor shall take insurance policy as specified in the workmen's compensation act for the contractor's staffs are not covered by the ESI and shall arrange ESI coverage on priority.
- b) The contractor shall insure against liability to third parties in the joint name of the Employer, and the contractor for any loss, damage, death or injury which may occur to any physical property (except things insured otherwise) or any person (except person insured by employer), staff of other contractor working in the premises, which may arise out of the performance of the contract.

22.0 Right to vary quantity –

- 1) At the time of award of contract, the quantity of goods/ works originally specified in the bidding documents may be increased, but such increase shall not exceed twenty percent of the quantity specified in the bidding documents. It shall be without any change in the unit prices or other terms and conditions of the bid and the bidding documents.
- 2) If the procuring entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding documents due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the bidding documents.
- 3) Repeat orders for extra items or additional quantities may be placed, on the same rates and conditions given in the contract. Delivery or completion period may also be proportionately increased. The limits of repeat order shall be as under
 - a. 50 % of the quantity of the individual items and 20 % of the value of original contract in case of works.

23.0 Provisions for Operation of Rate Contract -

23.1 This is a running rate contract which shall be valid for one year from the date of award/ LOA of rate contract. However the validity of rate contract may be extended for further six months on mutual consent of contractor and JMRC at the same terms and conditions.

23.2 Formal agreement shall be signed after unconditional acceptance of award letter by contractor.

23.3 The work is to be carried out anywhere in Jaipur city in the jurisdiction of JMRC.

23.4 This is a running rate contract so JMRC shall give Letter of Indent (LOI) to execute the miscellaneous electrical works as and when required during the currency of contract. The contractor has to execute the given works as per the specifications and running contractor's bills shall be paid by JMRC. The proper account of the work done item-wise/LOI shall be maintained in a register by DGM (Traction/E&M).

- 23.5 The firm has to submit field service report of the work done duly signed by the designated staff of JMRC.
- 23.6 Contractor should handover the material as well as inventories to the concerned department of JMRC. All the material will be under the charge of contractor till it is completed and handed over. Safe custody of material shall be the firms responsibility even if any running payments have been made for material brought at site or installed. However, no material shall be removed from site without written permission of Engineer in charge.
- 23.7 It is the duty of the contractor to get the layout drawing from the Manager/JMRC well in time after receipt of the LOI/ requisition of the work. Contractor should submit the final as built drawing before final payment of the individual work.
- 23.8 Minor repair/dismantling of civil work etc. should be done by the contractor without any extra cost.
- 23.11 Contractor should make liaison with concerned department/other contractor for execution of work.
24. **Defect Liability Period (DLP) Terms and Conditions -**
- 24.1 The DLP is six month for the individual works which shall be reckoned from the date of completion of the individual work as recorded by the Engineer - in-charge.
- 24.2 The defects related with inferior quality of goods/ workmanship, according to the specification of the works, shall be covered under DLP.
- 24.3 **Repair and replacement :** The items covered under DLP shall be replaced and/or repaired as directed by the Engineer-in-charge without any extra cost.
- 24.4 **Time Period for Repair/Replacement :** The Engineer-in-charge soon after defect arises shall notify to the contracting agency and/or his authorized representative on phone and in writing for rectification of the defect within the prescribed period which may be in hours/days and depends on the gravity and severity of defect.
- 25 **Refund of Performance Guarantee –**
The performance guarantee shall be refunded after six months of the completion date of rate contract as recorded by Engineer-in- charge.

Section - 5**SPECIFICATIONS FOR ELECTRICAL WORKS**

1. The work shall be carried out as per the nomenclature of items in BSR for Electrical Works 2013 of Public Works Department (PWD), Rajasthan. The contractor should follow the Current Specifications in Rajasthan PWD Electrical Works and latest IS Standards and Indian Electricity Rules as amended up to date.
2. The work shall be supervised by a qualified overseer/ engineer.
3. The layout of the work will be given by the Engineer-in-charge or his duly authorized representative at site of work.
4. The Accessories/Materials used should be of approved makes as per BSR 2013 of PWD Rajasthan.
5. Wiring shall be done with color coding as per specification and ferruling should be done for light and power circuit at both distribution board ends and at switch board without extra cost.
6. All the sample of the material/ accessories/wiring etc is to use on the work should be got approved form the Engineer-in-charge before using on the work. Any inferior material found used at the site will have to be replaced by the contractor at this own cost. Proper quality and workmanship is to be maintained by the Contractor.
7. The contractor shall submit the test reports of the items of the concerned manufactured if required and shall assist department in quality control test checking.
8. Any mistake/misprint in rates/nomenclature of item in BOQ shall be reckoned as per the BSR 2013 of PWD Rajasthan.
9. All conduit work will be carried out in recessed conduit/ surface conduit as per the direction of Engineer-in-charge.
10. Separate conduits shall be provided for followings.
 - a. Power plug wiring.
 - b. Light and Fan point wiring.
 - c. Emergency Light point wiring.
 - d. Telephone wiring.
 - e. Fire detection and alarm.
11. The contractor will have to give the following tests at his cost and intimate test results before final bills are paid. Nothing extra will be paid to him on this account.
 - a. Earth test.
 - b. Polarity test.
 - c. Insulation test.
 - d. Earth continuity test of recessed conduit.
12. Any damage done to the building by the contractor during the execution of work shall have to be made good at his cost & risk. If he does not it himself within a reasonable time as determined by the Engineer-in-charge the same will be got executed at his risk & cost departmentally after giving notice to him.
13. The circuit wiring at various places shall be kept minimum by taking the runs on walls.
14. All the sub distribution boards, sub main boards and main boards shall be sign written clearly indicating the number of distribution board, the type of load it is serving and the number of circuits contained in the distribution board.
15. While making the end connection of wires, no strand shall be out and the termination of wire shall be done with necessary lugs and ferrule by crimping method without any extra payment.
16. The termination of conduits etc. in the junction box to be provided above DB should be done by making proper holes instead of cutting the box.
17. The cable laying shall be as per Rajasthan PWD specification.
18. The route for the cable laying should be gets approved from the Engineer-in-charge.
19. All cable joints should be done in presence of Engineer-in-charge or his authorized representative. The LT joints should be done with crimping method and will make lugs/ferrules should only be used.

20. The measurement of the cable will be done from the top of the one cable an control box to the top of the other cable and box.
21. The earthing (wherever applicable) should be done in the presence of the Engineer-in-charge or his authorized representative.
22. Any damage done to the building during the erection will have to be made good to the entire satisfaction of Engineer-in-charge.
23. Under ground cable of 1.1 KV grade should be subjected to pressure/insulation test before & after laying to the same in the ducts and in case of unsatisfactory tests the cost of all repairs and replacement & all extra work of removal and relaying will have to be made good by the contractor at his own cost and risk.
24. Schedule of work should be carefully read before quoting if any deviation regarding any item is proposed should be clearly indicated in the tender particularly the type of the cable should be specified.

Annexure-B

Certificate

This is certify that the information/details given at the time of Techno-Commercial Bid in the Bid document for qualification for the work of “**Rate Contract for Miscellaneous Electrical Works in JMRC**” still holds good. If there is any change in the informations /details the same would be required to be submitted.

Signature of Bidders

Note:

1. If change is proposed in the personnel for the work the new personnel should be of same or higher calibers.
2. If change is proposed in the machinery and equipment for the work, the new machinery and equipment should be of same or higher capacity.
3. Irrespective of the above information as asked in various performs & otherwise in this Bid the information will have to be submitted.

Compliance with the Code of Integrity and No Conflict of Interest

Any person participating in a procurement process shall -

- (a) not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;
- (b) not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
- (c) not indulge in any collusion, Bid rigging or anti-competitive behavior to impair the transparency, fairness and progress of the procurement process;
- (d) not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
- (e) not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;
- (f) not obstruct any investigation or audit of a procurement process;
- (g) disclose conflict of interest, if any; and
- (h) disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:-

The Bidder participating in a bidding process must not have a Conflict of Interest. A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

i. A Bidder may be considered to be in Conflict of Interest with one or more parties in a

bidding process if, including but not limited to:

- a. have controlling partners/ shareholders in common; or
- b. receive or have received any direct or indirect subsidy from any of them; or
- c. have the same legal representative for purposes of the Bid; or
- d. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
- e. the Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one Bid; or
- f. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods, Works or Services that are the subject of the Bid; or
- g. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge/ consultant for the contract.

Signature of Agency (Authorized Signatory)

Declaration by the Bidder regarding Qualifications**Declaration by the Bidder**

In relation to my/our Bid submitted to for procurement of in response to their Notice Inviting Bids No.....Dated I/we hereby declare under Section 7 of Rajasthan Transparency in Public Procurement Act, 2012, that:

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity;
2. I/we have fulfilled my/our obligation to pay such of the taxes payable to the Union and the State Government or any local authority as specified in the Bidding Document;
3. I/we are not insolvent, in receivership, bankrupt or being wound up, not have my/our affairs administered by a court or a judicial officer, not have my/our business activities suspended and not the subject of legal proceedings for any of the foregoing reasons;
4. I/we do not have, and our directors and officers not have, been convicted of any criminal offence related to my/our professional conduct or the making of false statements or misrepresentations as to my/our qualifications to enter into a procurement contract within a period of three years preceding the commencement of this procurement process, or not have been otherwise disqualified pursuant to debarment proceedings;
5. I/we do not have a conflict of interest as specified in the Act, Rules and the Bidding Document, which materially affects fair competition;
