INSTRUCTIONS TO TENDERERS

INSTRUCTIONS TO TENDERERS

1. GENERAL INSTRUCTIONS

- 1.1 On behalf of Jaipur Metro Rail Corporation Ltd, Jaipur, INDIA (herein referred to as the Purchaser), ED (S&T), invites tenders from established and reliable manufacturers for the supply as set forth in the %Schedule of Requirements.+
- 1.2 The Tenderer shall bear all costs associated with the preparation and submission of its tender. All offers in the prescribed format at Annexure-1 should be submitted by the prescribed date and time fixed for the receipt of offers as set forth in the tender papers. Offers received after the stipulated time and date, are liable to be rejected.
- 1.3 All information in the offer must be in English. Information in any other language must be accompanied by its authenticated translation in English. Failure to comply with this may render the offer liable to be rejected. In the event of any discrepancy between an offer in a language other than English and its English translation, the English translation will prevail.
- 1.4 Tender Document consist of following :-
 - a) Notice of Invitation to Bidders
 - b) Instruction To Tenderers
 - c) Form of Tender
 - d) Condition of Contract
 - e) Schedule of Requirement (Particular Specification)
 - f) Annexure (1 to 10)
 - g) General Condition of Contract
 - h) Safety, Health and Environment Manual of JMRC
- 1.5 Clarification of Tendering Documents; and Pre-Tender Meeting:-

A prospective Tenderer requiring any clarification of the tendering documents may notify the Purchaser in writing or by Electronic Data Interchange (EDI) or telefax. Similarly, if a Tenderer feels that any important provision in the documents will be unacceptable, such an issue should be raised at this stage. The Purchaser will respond in writing to any request for clarification or modification of the tendering documents that it receives no later than seven (7) days prior to the deadline for submission of tenders prescribed by the Purchaser. Written copies of the Purchaser's response (including an explanation of the query but not identification of its source) will be sent to all prospective tenderers that have received the tendering documents. Tenderers will note that the Technical specifications of the facilities require some plant and equipment to be necessarily sourced from India. Foreign tenderers are encouraged to associate any Indian firm/s as a partner in a Joint Venture or consortium or as a Subcontractor.
- 1.6 Amendment of Tendering Documents

At any time prior to the deadline for submission of tenders, the Purchaser may, for any reason, whether at its own initiative, or in response to a clarification requested by a prospective Tenderer, amend the tendering documents.

The amendment will be notified in writing or by cable to all prospective tenderers that have purchased the tendering documents and will be binding on them. Tenderers are required to

immediately acknowledge receipt of any such amendment, and it will be assumed that the information contained therein will have been taken into account by the Tenderer in its tender.

Failing to which they will not be allowed to attend the opening of the tenders at JMRC.
- 8.3 Envelopes marked %WITHDRAWAL+ shall be opened first and the name of the Tenderer shall be read out. Tenders for which an acceptable notice of withdrawal has been submitted shall not be opened.
- a. The Tenderers names, the Tender Prices, including any alternative Tender Price or deviation, any discounts, tender modifications and withdrawals, the presence (or absence) of tender security, and any such other details as the Purchaser may consider appropriate, will be announced by the Purchaser at the opening.
Subsequently, all envelopes marked %MODIFICATION+ shall be opened and the submissions therein read out in appropriate detail. No tender shall be rejected at tender opening except for late tenders.
- b. Tenders not opened and read out at tender opening shall not be considered further for evaluation, irrespective of the circumstances.

8.4 Preliminary Examination of Tenders

- a. The Purchaser will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.
- b. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If the Tenderer does not accept the correction of errors, its tender will be rejected & EMD will be forfeited.
- c. The Purchaser may waive any minor informality, nonconformity or irregularity in a tender that does not constitute a material deviation, whether or not identified by the Tenderer in Annexure 5, 6 to its tender, and that does not prejudice or affect the relative ranking of any Tenderer as a result of the technical and commercial evaluation.
- d. Prior to the detailed evaluation, the Purchaser will determine whether each tender is of acceptable quality, is complete and is substantially responsive to the tendering documents. For purposes of this determination, a substantially responsive tender is one that conforms to all the terms and conditions.

9. EVALUATION OF THE OFFERS

- 9.1 During tender evaluation, the Purchaser may, at its discretion, ask the Tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the price or substance of the tender shall be sought, offered or permitted.
- 9.2 The tenders received will be evaluated by the Purchaser to ascertain the lowest acceptable tender in the interest of the Purchaser, as specified in the specification and tender documents. Evaluation criteria not mentioned herein but mentioned specifically in the technical specifications will be taken into consideration in the evaluation of offers.
- 9.3 Purchaser will convert all tender prices expressed in the amount in various currencies in the tender prices as payable, to the local currency of Purchaser's country at the B.C selling market exchange rate established by corporation bank of India.
- 9.4 Also if a tenderer request for a variation in the payment terms stipulated in the General Conditions of Contract and if such variation is acceptable to the Purchaser, the same would be evaluated at an interest rate of 12% per annum for all earlier payments for the purpose of comparison with other offers.
- 9.5 Generally, the quotations are required for delivery FOR destination indicating the break up FOR station of dispatch, the supplier shall agree to book the goods freight pre-paid and cover the freight element through the bill. Where, however, the supplier does not agree in his quotation to book the goods freight pre-paid and claim freight element subsequently, the quotation shall be loaded with the additional freight

- element i.e. the surcharge payable, for comparative evaluation.
- 9.6 The quotations from tenderers are required for delivery FOR destination indicating the break-up of prices upto **FOR final destination basis** as mentioned in Annexure-1 (statement of prices for supply within India).
- 9.7 The offers received from indigenous tenderers should indicate clearly the rate of ED, CST/ST etc. as leviable on particular item. In case concessional duty or taxes are applicable, the tenderer should quote accordingly. However, if the tenderer state in his offer that ED, CST/ST etc. will be charged as prevailing at the time of supply, then while working out F.O.R destination rates for comparison, the highest rate applicable will be loaded on the offer. Similarly, if concessional rate of ED, CST/ST or any other levy is applicable due to lower turnover, the highest applicable rate will be taken for the evaluation of F.O.R destination rates unless the tenderer confirms in the offer that any increase in the ED, CST/ST or other levy due to increase in the turnover will be absorbed by the tenderer itself. Evaluation of offer will be done on FOR destination basis inclusive of all.
- 9.8 Evaluation of offer will be done on FOR JMRC site within Jaipur basis inclusive of all.
- 9.9 Based on the prices quoted by the firm in price schedule lowest acceptable bid will be determined in the interest of purchaser. Though clearance from customs etc. including payment of custom duty & other related charges shall be the responsibility of purchaser, for the sake of comparison this evaluation will include in CIF price, the custom duty & other related charges to importation intend transportation charges etc.

10. HIGHER PRICE FOR EARLIER DELIVERY

It should be noted that if a contract is placed on a higher bid as a result of this invitation to bid, the preference to the lowest acceptable offer in consideration of offer of earlier delivery, the Contractor will be liable to pay to the government the difference between the contract rate and that of the lowest acceptable bid on the basis of final price F.O.R. destination including all elements of freight, sales tax, local taxes, duties and other incidentals in case of failure to complete supplies in terms of such contract within the date of delivery specified in the bid and incorporated in the contract. This in addition and without prejudice to other rights under the terms of contract.

11. ACCEPTANCE OF BID

- 11.1 The purchaser may accept a bid for a part of whole of the quantity offered, reject any bid without assigning any reason and may not accept the lowest or any bid.
- 11.2 The Purchaser reserves the right to increase or decrease the quantity up to 25% of the quantity offered by the successful bidders are bound to accept the increase or decrease in the bidden quantity up to 25% under this clause at the time of placement of contract or during the currency of the contract. While operating this clause the quantity shall be rounded off to the next whole no.
- 11.3 Acceptance of bid will be communicated by Cable, Telex, Telegram, Express Letter or formal acceptance of bid. In case where acceptance is indicated by Cable, Telex, Telegram, Express Letter or formal acceptance of bid will be forwarded to

the Contractor as soon as possible, but the Cable, Telex, Telegram, Express Letter should be deemed to conclude the contract.

12. EFFECT AND VALIDITY OF OFFER

- 12.1 The submission of any offer connected with these specifications and documents shall constitute an agreement that the bidder shall have no cause of action and claim, against the Purchaser for rejection of offer. The Purchaser shall always be at liberty to reject or accept any offer or offers at his sole discretion and any such action will not be called into question and the bidder shall have no claim in that regard against the Purchaser.
- 12.2 The offer shall be kept valid for acceptance for a minimum period of 180 (one hundred and eighty) calendar days from the date set for opening of bids.
- 12.3 Offers shall be deemed to be under consideration immediately after they are opened and until such time the official intimation of award of contract is made by the Purchaser to the Bidder. While the offers are under such consideration, bidders and or their representatives or other interested parties are advised to refrain from contacting the Purchaser by any means. If necessary, the Purchaser will obtain clarifications on the offers by requesting for such information from any or all the bidders, either in writing or through personal contacts, as may be considered necessary. Bidders will not be permitted to change the substance of their offers the offers have been opened.

- 9.5 The Purchaser shall be entitled and it shall be lawful on his part to forfeit the amount of the Performance Guarantee Bond in whole or in part in the event of any default, failure or neglect on the part of the Contract in the fulfilment or performance in all respects of the contract under reference or any other contract with the Purchaser shall also be entitled to deduct from the amount of the Performance Guarantee Bond any loss or damage which the Purchaser may suffer or be put by reason of or due to any act or other default, recoverable by the Purchaser from the Contractor in respect of the contract under reference or any other contract and in either of the events aforesaid to call upon the Contractor to maintain the amount of the Performance guarantee Bond as its original limit by furnishing fresh Bank Guarantee of additional amount, provided further that the Purchaser shall be entitled to recover any such claim from any sum then due or which at any time thereafter may become due to the Contractor under this or any other contracts with the Purchaser.

- 9.6 The Performance Guarantee Bond shall remain in full force and effect during period that would be taken for satisfactory performance and fulfilment in all respects of the contract i.e. till satisfactory commissioning of the material at consignee's works & later on warranty guarantee period, and shall in the first instance be valid until 90 days beyond the contract period before the expiry of the date of validity of the Performance Guarantee Bond, the Contractor on being called upon by the Purchaser from time to time, shall obtain from the Guarantee Bank, extension of time for validity thereof for a period of six months, on each occasion. The extension or extensions aforesaid, executed on non-judicial stamp paper of appropriate value must reach the Purchaser at least thirty days before the date of expiry of the Performance Guarantee Bond on each occasion.
- 9.7 As and when an amendment is issued to the contract, the Contractor shall, within 15 days of the receipt of such an amendment furnish to the Purchaser an amendment to the Performance Guarantee Bond rendering the same valid for the contract as amended and up to twelve months beyond the extended delivery date.
- 9.8 The Performance Guarantee Bond and or any amendment thereto shall be executed on a stamped paper of requisite money value in accordance with the laws of the country in which the same is/are executed by the party competent to do so. The Performance Guarantee Bonds executed in India shall also be got endorsed by the collector under section 32 of the Indian Stamp act, 1899 for adequacy of the stamp Duty, by the contractor.

The Performance Guarantee Bond shall be furnished as Annexure-7.

10. TAXES AND DUTIES

- 10.1 Except as otherwise specifically provided in the Contract, the Contractor shall bear and pay all taxes, duties, levies and charges assessed on the Contractor, its Subcontractors or their employees by all municipal, state or national government authorities in connection with the Facilities in and outside India.

11. DELIVERY

- 11.1 The Contractor shall deliver free or F.O.R, at the place detailed in the contract, the quantities of the stores detailed therein and the stores shall be delivered or dispatched not later than the dates specified in the contract. The delivery will not be deemed to be complete until and unless the stores are inspected and accepted by the Inspecting Officer as provided in the contract.

- 11.2 Notwithstanding any inspection and approved by the Inspecting Officer on the

Contractor's premises, property in the stores shall not pass on the Purchaser until the stores have been received, inspected and accepted by the consignee.

- 11.3 in case of foreign contracts:

the stores shall be delivered by the contractor free on board such vessels in such port or ports named in the quotation, as the Purchaser or his nominee may require.

Such number of inspection certificates, advice notices, packing accounts and invoices, as may be required by the purchaser or his nominee, shall be furnished by the contractor at his own cost.

12. NOTIFICATION OF DELIVERY

- 12.1 Notification of delivery or dispatch in regard to each and every installment shall be made to the Purchaser, consignee and Port consignee (if applicable) immediately on dispatch or delivery. The Contractor shall further supply to the consignee, or the interim consignee, as the case may be, a packing account quoting number and date of the acceptance of tender and date of dispatch of the stores. All packages shall be fully described in the packing account and full details of the contents for the packages and quantity of materials shall be given to enable the consignee to check the stores on arrival at destination. The copy of Railway Receipt/Consignment note or Bill of Lading with other shipping documents, if any shall be forwarded to the consignee and or the port consignee named in the contract, as applicable, by registered post immediately on the dispatch of stores. The contractor shall bear and reimburse to the Purchaser demurrage charges, if any, paid by reason of delay on the part of the Contractor in forwarding the copy of the Railway Receipt, Consignment Note or Bill of Lading and other shipping documents.

13. TIME FOR AND DATE OF DELIVERY; THE ESSENCE OF THE CONTRACT

The time for and the date specified in the contract or as extended for the delivery of the stores shall be deemed to the essence of the contract and delivery must be completed not later than the dates so specified or extended.

13.1 Progressing of Deliveries

The contractor shall allow reasonable facilities and free access to his works and records to the inspecting officer; progress officer or such other officer as may be nominated by the Purchaser for the purpose of ascertaining the progress of the deliveries under the contract.

13.2 Failure and Termination

If the contractor fails to deliver the stores or any instalment thereof within the period fixed for such delivery in the contract or as extended or at any time repudiates the contract before the expiry of such period, the purchaser may without prejudice to his other rights:

Recover from the Contractor as agreed liquidated damages and not by way of penalty a sum equivalent to 1/2% of the price of any stores (including elements of taxes, duties, freight etc.) which the Contractor has failed to deliver within the period fixed for delivery in the contract or as extended for each or part of a week during which the delivery of such stores may be in arrears where delivery thereof is accepted after expiry of the aforesaid period subject to max. of 10%, or

- a. Cancel the contract or a portion thereof and if so desired purchased or authorize the purchase of the stores not so delivered or others or similar description (where stores exactly complying with particulars are not, in the opinion of the Purchaser, which shall, be final, readily procurable) at the risk and cost of the Contractor. It shall, however, be in the discretion of the Purchaser to obtain or not the Performance Guarantee Bond from the firm/firms on whom the contract is placed at the risk and expense of the defaulting firm.

Where action is taken under sub-clause (b) above, the Contractor shall be liable for any loss which the Purchaser may sustain on that account provided the purchase, or, if there is an agreement to purchase, such agreement is made, in case of failure to deliver the stores within the period fixed for such delivery in the contract or as extended within nine months from the date of such failure and in case of repudiation of the contract before the expiry of the aforesaid period of delivery, within nine months from the date of cancellation of the contract. The Contractor shall not be entitled to any gain on such purchase and the manner and method of such purchase shall be in the entire discretion of the Purchaser. It shall not be necessary for the Purchaser to serve a notice of such purchase on the Contractor.

Note: - in respect of the stores which are not easily available in the market and where procurement difficulties are experienced, the period for making risk purchase shall be nine months instead of six months provided above.

13.3 Extension of Time for Delivery

If such failure as in the aforesaid clause 13.2 shall have arisen from any cause which the Purchaser may admit as reasonable ground for extension of time, the Purchaser shall allow such additional time as he considers to be justified by the circumstances of the case, and shall forgo the whole or such part, as he may consider reasonable, of his claim for such loss or damage as aforesaid. Any failure or delay on the part of Sub-Contractor, though their employment may have been sanctioned under condition 21 hereof, shall not be admitted as a reasonable ground for any extension of time or for exempting the contractor from liability for such loss or damage as aforesaid.

13.4 Consequences of Rejection

If on the stores, being rejected by the Inspecting Officer or Interim Consignee or Consignees at the destination, the Contractor fails to make satisfactory supplies within the stipulated period of delivery, the Purchaser shall be at liberty to:-

- i) require the Contractor to replace the rejected stores forthwith but in any event not later than a period of 21 days from the date of rejection and the Contractor shall bear all cost of such replacement including freight, if any on such replacing and replaced stores but without being entitled to any extra payment on that or any other account; or
- ii) Purchase or authorize the purchase of quantity of the stores rejected or others of a similar description (when stores exactly complying with particulars are not in the opinion of the Purchaser, which shall be final, readily available) without notice to the Contractor at his risk and cost and without affecting the Contractor's liability as regards the supply of any further instalments due under the contract; or
- iii) Cancel the contract and purchase or authorize the purchase of the stores or other of a similar description (when stores exactly complying with particulars are not in the opinion of the Purchaser, which shall be final, readily available) at the risk and cost of the contractor. In the event of action being taken under sub-clause (ii) above or under this sub-clause, the provisions of clause 13.2 above will apply as far as applicable.
- iv) Where under the contract the price payable is fixed F.O.B port of export or F.O.R dispatching station, the Contractor shall, if the stores are rejected at destination by the consignee, be liable, in addition to his other liabilities, including refund of price recoverable in respect of the stores so rejected, to reimburse to the Purchaser the freight and all other expenses incurred by the Purchaser in this regard.

13.5 Removal of rejected stores

- i) On rejection of any stores submitted for inspection at a place other than the premises of the Contractor, such stores shall be removed by the Contractor at his own cost subject as herein after stipulated, within 21 days of the date of intimation of such rejection. If the concerned communication is addressed and posted to the Contractor at the address mentioned in the contract, it will be deemed to have been served on him at the time when such communication would in the course of ordinary post reach the Contractor, provided that where the price or part thereof has been paid, the consignee is entitled without prejudice to his other rights to retain the rejected stores till the price paid for such stores is refunded by the Contractor save that such retention shall not in any circumstances be deemed to be acceptance of the stores or waiver of rejection thereof.
- ii) All rejected stores shall in any event and circumstances remain and always be at the risk of the Contractor immediately on such rejection. If such stores are not removed by the Contractor within the periods aforementioned, the Inspecting Officer may remove the rejected stores and either return the same to the Contractor at his risk and cost by such mode of transport as the Purchaser or Inspecting Officer may decide, or dispose of such stores at the Contractor's risk and on his account and retain such portion of the proceeds, if any, from such disposal as may be necessary to recover any expense incurred in connection with such disposals (or any price refundable as a consequence of such rejection). The purchaser shall, in addition, be entitled to recover from the Contractor handling and storage charges on the rejected stores after the expiry of the time-limit mentioned above.
- iii) The stores that have been dispatched by rail and rejected after arrival at destination may be taken back by the contractor either at the station where they were rejected or at the station from which they were sent, after refunding the price paid for such stores and other charges refundable as a consequence of such rejection. If the contract is placed for delivery F.O.R. station of dispatch, the Contractor shall pay the carriage charges on the rejected consignment at public tariff rates from the station of dispatch to the station where they are rejected. If the Contractor elects to take back the goods at the station from which they were dispatched, the goods shall in addition, be booked back to him freight to-pay at public tariff rates and at Contractor's risk.
The Contractor shall be liable to reimburse packing and incidental costs and charges incurred in such return of rejected stores in addition to other charges refundable as a consequence of rejection. The goods shall remain the property of the Contractor unless and until accepted by the Purchaser after inspection.

14. FORCE MAJEURE

In the event of any unforeseen event during the currency of the contract, such as war, hostilities, acts of the public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts, or acts of God, as a result of which, either party (purchaser/Contractor) is prevented, or hindered in performing any of its obligations under the contract, then it shall within a week from the commencement thereof, notify the same in writing to the other party with reasonable evidence thereof. If the force majeure condition(s) mentioned above be in force for a period of 90 days or more at any time, the either party shall have the option to terminate the contract on expiry of 90 days of commencement of such force

majeure by giving 14 days notice to the other party in writing. In case of such termination, no damages shall be claimed by either party against the other, save and except those, which had occurred under any other clause of this contract prior to such termination.

15. ACCEPTANCE OF STORES DISPATCHED AFTER THE EXPIRY OF DELIVERY PERIOD

- 15.1 In case where only a portion of the stores ordered is tendered for inspection at the fag end of the delivery period and also in cases where inspection is not completed in respect of the portion of the stores tendered for inspection during the delivery period because of the reason that adequate notice for inspection in accordance with clause 16.1 was not given by the Contractor, the Purchaser reserves the right to cancel the order of the balance quantity, at the risk and expense of the Contractor without any further reference to him. If the stores tendered for inspection during or at the fag end of the delivery period are not found acceptable after carrying out the inspection, Purchaser is entitled to cancel the contract in respect of the same at the risk and expense of the Contractor. If, however, the stores tendered for inspection are found acceptable, the Purchaser may grant an extension of the delivery period subject to the following conditions: -
- a. The purchaser has the right to recover from the Contractor the liquidated damages on the stores, which the Contractor has failed to deliver within the period fixed for delivery.
 - b. That no increase in price on account of any statutory increase in or fresh imposition of Custom Duty, Excise Duty, Sales Tax, Freight charges or on any account of any other tax or duty leviable in respect of the stores specified in the contract, which takes place after the date of delivery period stipulated in the said Acceptance of Tender, shall be admissible on such of the said stores as are delivered after said date.
 - c. That notwithstanding any stipulation in the contract for increase in price on any other ground, no such increase which takes place after the delivery date stipulated in the contract shall be admissible on such of the said stores as are delivered after the said date.
 - d. But nevertheless the Purchaser shall be entitled to the benefit of any increase in price on account of reduction in or remission of Customs Duty, Excise Duty, sales tax or on account of any other ground which takes place after the expiry of the delivery date stipulated in the contract. The contractor shall allow the said benefit in his bills or in the absence thereof shall certify that no decrease in price on account of any of these factors has taken place.
- 15.2 The Contractor shall not dispatch the stores till such time an extension in terms of clause 15.1 (a) to (d) above is granted by the Purchaser and accepted by the Contractor. If the stores are dispatched by the Contractor before an extension letter aforesaid is issued by the Purchaser and the same are accepted by the consignee, the acceptance of the stores shall be deemed to be subject to the conditions (a) to (d) mentioned in clause 15.1 above.
- 15.3 In case where the entire quantity has not been tendered for inspection within the delivery period stipulated in the contract and the Purchaser chooses to grant an extension of the delivery period the same would be subject to conditions (a) to (d) mentioned in the clause 15.1 above.

16. INSPECTION BY INSPECTING OFFICER

- 16.1 When Inspection during manufacture or before delivery or dispatch is required, notice in writing shall be sent by the contractor to the Inspecting Officer when the stores or material to be supplied are ready for inspection and test, and no stores shall be delivered or dispatched until the Inspecting Officer has certified in writing that such stores have been inspected and approved by him. At least 4 weeks notice must be given to the Inspecting Officer to enable him to arrange the necessary inspection. The examination of stores will be made as soon as practicable after the same have been submitted for inspection and the result of the examination will be notified to the Contractor.
- 16.2 In cases where the Inspecting authority specified in the contract requires on behalf of the Purchaser that inspection of the raw materials to be used and/or stage inspection during the manufacturing process of the components stores etc. is also be done, notice in writing shall be sent by the contractor to the Inspecting Officer to visit his premises/works to test the raw materials and/or conduct necessary inspecting during the manufacturing process of the component/store etc. as deemed essential.
- 16.3 No alterations, amendments, omissions, additions, suspensions, or variations of the work (hereinafter referred to as 'Variations') under the contract as shown by the drawing or the specifications shall be made by the contractor except as directed in writing by the Inspector, but the Inspector shall have full power, subject to the proviso hereinafter contained, from time to time, during the execution of the contract, by notice in writing to instruct the contractor to make such variation without prejudice to the contract, and the contractor shall carry out such variations and be bound by the same conditions, so far as applicable, as though the said variation occurred in the specifications. If any suggested variation would, in the opinion of the contractor, if carried out, prevent him from fulfilling any of his obligations or guarantees under the contract, he shall carry out. If the Inspector confirms his instructions, the contractor's obligations and guarantees shall be modified to such an extent as may, in the opinion of the Inspector, be justified. The difference of cost, if any occasioned by any such variations shall be added to or deducted from the contract price as the case may require. The amount of such difference, if any, shall be ascertained as determined in accordance with the rates specified in the schedules of prices, so far as the same may be applicable, and where the rates are not contained in the said schedules or not applicable they shall be settled by the Purchaser and contractor jointly. But the Purchaser shall not become liable for the payment of any charge in respect of any such variations, unless the instructions for the performance of the same shall have been given in writing by the Inspector.
- 16.4 In the event of Inspector requiring any variations, such reasonable and proper notice shall be given to the contractor, as will enable him to make his arrangements accordingly, and in cases where goods or materials are already prepared, or any designs, drawings or patterns made or work done is required to be altered, a reasonable sum in respect thereof shall be allowed by the Purchaser, provided that no such variations shall, except with the consent in writing of the contractor, be such as will involve an increase in the total price payable under the contract by more than 10 percent thereof.
- 16.5 In any case, in which the contractor has received instructions from the Inspector for carrying out the work which either then or later, will, in the opinion of contractor, involve a claim for additional payment, the contractor shall, as soon as reasonably possible, after receipt of the instructions foresaid, advise the Inspector to that effect.

16.6 Marking of Inspection

The Contractor shall, if so required, at his own expense, mark all the approved stores with a recognized Purchaser's mark. The stores which cannot be so marked shall, if so required by the Inspecting Officer, be packed at the Contractor's expense in suitable packages or cases, each of which shall be sealed and marked with such mark.

17. PACKING AND MARKING

17.1 Packing

The Contractor shall pack at his own cost the store sufficiently and properly for transit by rail/road, air and/or sea as provided in the contract so as to ensure their being free from loss or damage on arrival at their destination. He shall decide the packing for the stores by taking into account the fact that the stores will have to undergo arduous transportation before reaching the destination and will have to be stored and handled in tropical climatic conditions (Including Monsoons) before being put to actual use.

Unless otherwise provided in the contract, all containers (including packing cases, boxes, tins, drums and wrappings) in which the stores are supplied by the Contractor shall be considered as non-returnable and their cost as having been included in the contract price.

Each package shall contain a packing note specifying the name and address of the Contractor, the number and date of the acceptance of tender and the Designation of the Purchase Officer issuing the supply orders, the description of the stores and the quantity contained therein.

17.2 Marking

The marking of all goods supplied shall comply with the requirement of the Indian Acts relating to merchandise marks or any amendment thereof and the rules made there under. The following marking of the material is required: -

The following particulars should be stencilled with indelible paint on all the materials/packages:-

- a. Contract No.
- b. Specification no.
- c. Item No.
- d. Post Consignee (wherever applicable)
- e. Abbreviated Consignee marks.

In addition to the marking as specified above, distinguish colour marks should be given so as to distinguish the ultimate Consignees in India.

18. PAYMENT TERMS

The standard payment terms subject to recoveries, if any, by way of Liquidated Damages will be as under: -

18.1 For Suppliers: -

- i. 100% payment after receipt & acceptance of material by JMRC.

**19. RESPONSIBILITY OF THE CONTRACTOR FOR EXECUTING THE CONTRACT****19.1 Risk in the stores**

The Contractor shall perform the contract in all respects in accordance with the terms and condition thereof. The stores and every constituent part thereof, whether in the possession or control of the Contractor, his agents or servants or a carrier, or in the joint possession of the Contractor, his agents or servants and the Purchaser, his agents or servants, shall remain in every respect at the risk of the Contractor, until their actual delivery to the consignee at the stipulated place or destination or, where so provided in the acceptance of tender, until their delivery to a person specified in the contract as interim consignee for the purpose of dispatch to the consignee. The Contractor shall be responsible for all loss, destruction, damage or deterioration of or to the stores from any cause whatsoever while the stores after approval by the Inspecting Officer are awaiting dispatch or delivery or are in the course of transit from the Contractor to the Consignee or the interim consignee as the case may be. The Contractor shall alone be entitled and responsible to make claims against JMRC or any other carrier in respect of non-delivery, short delivery, misdelivery, loss, destruction, damage or deterioration of goods entrusted to such carrier by the Contractor for transmission to the consignee or the interim consignee, as the case may be.

19.2 Consignee's Right of Rejection

Notwithstanding any approval which the Inspecting Officer may have been given in respect of the stores or any materials or other particulars or the work or workmanship involved in the performance of the contract (whether with or without any test carried out by the Contractor or the Inspecting Officer or under the direction of the Inspecting Officer) and notwithstanding delivery of the stores where so provided to the interim consignee, it shall be lawful for the consignee, on behalf of the Purchaser, to reject the stores or any part, portion of consignment thereof within 45 days after actual delivery thereof to him at the place or destination specified in the contract if such stores or part, portion of consignment thereof is not in all respects in conformity with the terms and conditions of the contract whether on account of any loss, deterioration or damage before dispatch or delivery or during transit or otherwise howsoever.

Provided that where, under the terms of the contract, the stores are required to be delivered to an interim consignee for the purpose of dispatch to the consignee, the stores shall be at the Purchaser's risk after their delivery to the interim consignee, but nevertheless it shall be lawful for the consignee on behalf of the Purchaser to reject the stores or any part, portion of consignment thereof upon their actual delivery to him at the destination if they are not in all respect in conformity with the terms and conditions of contract except where they have been damaged or have deteriorated in course of transit or otherwise after their delivery to the interim consignee.

The provisions contained in clause relating to the removal of stores rejected by the Inspecting Officer shall, mutatis mutandis apply to stores rejected by the consignee as herein provided.

The contractor shall refund any advance /part payment received him in respect of the rejected stores within 21 days of the receipt of intimation from the consignee about the rejection of the stores. In default, the Purchaser may take steps against contractor for recovery of such price. This is strictly without prejudice and in addition to the rights provided in clause 13.4.

19.3 Subletting and Assignment

The contractor shall not sublet (otherwise than that which may be customary in the

trade concerned), transfer, assign or otherwise part with directly or indirectly to any person or persons, whatever is in this contract, or any part thereof without the previous written permission of the Purchaser or his nominee.

In the event of the contractor's failure to obtain such permission, the Purchaser shall be entitled to cancel the contract and to purchase the stores elsewhere on the Contractor's account and risk and the contractor shall be liable for any loss or damage which the Purchaser may sustain in consequence or arising out of such purchase.

20. RESPONSIBILITY FOR COMPLETENESS

- 20.1 Any fittings or accessories which may not be specifically mentioned in the specifications but which are useful or necessary are to be provided by the Contractor without extra charge, and the plant must be complete in detail.
- 20.2 The work shall be performed at the place or places specified in the contract or at such other place or places as may be approved by the Purchaser.
- 20.3 In all cases where the contract provides for tests on site, the Purchaser, except where otherwise specified, shall provide, free of charge, such labour, materials, fuels, stores, apparatus and instruments as may be required from time to time and as may reasonably be demanded, efficiently to carry out such tests of the plants, materials or workmanship etc. in accordance with the contract.

21. INDEMNITY

- 21.1 The prices stated are to include all rights (if any) of patent, registered design or trade mark and the Contractor shall at all times indemnify the Purchaser against all claims which may be made in respect of the stores for infringement of any right protected by patent, registration of designs or trade mark; provided always that in the event of any claim in respect of alleged breach of a patent, registered designs or trade mark being made against purchaser, the Purchaser shall notify the Contractor of the same and the Contractor shall, at his own expense, either settle any such dispute or conduct any litigation that may arise there from.
- 21.2 All such property shall be deemed to be in good condition when received by the Contractor unless he shall have within 24 hours of the receipt thereof notified the Purchase Officer or the concerned authority to the contrary. If the Contractor fails to notify any defect in the condition or quality of such property, he shall be deemed to have lost the right to do so at any subsequent stage.
- 21.3 The Contractor shall return all such property and shall be responsible for the full value thereof to be accessed by the Purchaser/loaning authority whose decision shall be final and binding on the Contractor. The Contractor shall be liable for loss or damage to such property from whatever cause happening while such property is in the possession of or under the control of the Contractor, his servants, workmen or agents.
- 21.4 Where such property is insured by the Contractor against loss or fire at the request of the Government or Purchaser such insurance shall be deemed to be effected by way of additional precaution and shall not prejudice the liability of the Contractor as aforesaid.

22. CORRUPT PRACTICES

- 22.1 The Contractor shall not offer or give or agree to give to any person in the employment of the Purchaser or working under the orders of the Purchaser any gift or consideration of any kind as an inducement or reward of doing or forbearing to do or having done or forborne to do any act in relation to the obtaining or execution of the contract or any other contract with the Purchaser or Government or for showing any favour or for bearing to show disfavour to any person in relation to the contract or to any other contract with the Purchaser or Government. Any breach of the aforesaid condition by the Contractor, or any one employed by him or acting on his behalf, under Chapter IX of the Indian Penal code, 1860 or the Prevention of Corruption Act, 1947 or any other act enacted for the prevention of corruption by public servants shall entitle the Purchaser to cancel the contract and all or any other contracts with the Contractor and to recover from the Contractor the amount of any loss arising from such cancellation in accordance with the provision of clause 13.2.

23. INSOLVENCY AND BREACH OF CONTRACT

- 23.1 The Purchaser may at any time, by notice in writing summarily determine the contract without compensation to the Contractor in any of the following events, that is to say: -
- i. if the Contractor being an individual or in a firm. Any partner thereof, shall at any time, be adjudged insolvent or shall have a receiving order or order for administration of his estate made against him or shall take any proceeding for composition under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or enter into any assignment or composition with his creditors or suspend payment or if the firm be dissolved under the Partnership Act, or
 - ii. if the Contractor being a company is wound up voluntarily or by the order of a Court or a Receiver, Liquidator, or Manager on behalf of the debenture holders is appointed, or circumstances shall have arisen which entitle the Court or Debenture holders to appoint a Receiver, Liquidator or Manager, or
 - iii. If the contractor commits any breach of the contract not herein specifically provided for.
 - iv. Provided always that such determination shall not prejudice any right of action or remedy which shall have accrued or shall accrue thereafter to the Purchaser and provided also the Contractor shall be liable to pay to the Purchaser any extra expenditure he is thereby put to and the Contractor shall, under no circumstances, be entitled to any gain on re-purchase.

24. LAWS GOVERNING THE CONTRACT

- 24.1 This contract shall be governed by the Laws of India for the time being in force.
- 24.2 Irrespective of the place of delivery and the place of payment under the contract, the contract shall be deemed to have been made at the place in India from where the acceptance of tender has been issued.
- 24.3 Jurisdiction of Courts: -The Courts of the place from where the acceptance of tender has been issued shall have jurisdiction to decide any dispute arising out of or in respect of the contract.

25. ARBITRATION

25.1 If conciliation fails, then such disputes or differences, whatsoever arising between the parties, arising out of touching or relating to manufacture, measuring operation or effect of the Contract or the breach thereof shall be referred to Arbitration in accordance with the following provisions :

- i. Matters to be arbitrated upon shall be referred to a sole Arbitrator where the total value of claims does not exceed Rs. 1.5 million. Beyond the claim limit of Rs. 1.5 million, there shall be three Arbitrators. For this purpose Purchaser will make out a panel of engineers with the requisite qualifications and professional experience. This panel will be of serving or retired engineers of Government Departments or of Public Sector Undertakings;
- ii. For the disputes to be decided by a sole Arbitrator, a list of three engineers taken from the aforesaid panel will be sent to the Contractor by the Purchaser from which the Contractor will choose one;
- iii. For the disputes to be decided by three Arbitrators, the purchaser will make out a list of five engineers from the aforesaid panel. The Contractor and Purchaser shall choose one Arbitrator each and the two so chosen shall choose the third Arbitrator from the said list who shall act as the presiding Arbitrator;
- iv. Neither party shall be limited in the proceedings before such Arbitrators(s) to the evidence or the arguments put before the Conciliator;
- v. The Conciliation and Arbitration hearings shall be held in Jaipur only. The language of the proceedings that of the documents and communications shall be English and the awards shall be made in writing. The Arbitrators shall always give item-wise and reasoned awards in all cases where the total claim exceeds Rs. One million; and
- vi. The award of the sole Arbitrator or the award by majority of three Arbitrators as the case may shall be binding on all parties.

25.2 Interest on Arbitration Award

Where the arbitral award is for the payment of money, no interest shall be payable on whole or any part of the money for any period, till the date on which the award is made.

25.3 Cost of Arbitration

The cost of arbitration shall be borne by the respective parties. The cost shall, inter alia, include the fees of the Arbitrator(s) as per rates fixed by the Purchaser from time to time.

25.4 Jurisdiction of Courts

Where recourse to a Court is to be made in respect of any matter, the Purchaser and the Contractor agree to the sole jurisdiction of courts in Jaipur.

25.5 Suspension of work on Account of Arbitration

The reference to Conciliation/ Arbitration shall proceed notwithstanding that the Works shall not then be or be alleged to be complete, provided always that the obligations of the Purchaser, Engineer and the Contractor shall not be altered by reasons of arbitration being conducted during the progress of the Works. Neither party shall be entitled to suspend the work or part of the work to which the dispute relates on account of arbitration and payments to the Contractor shall continue to be made in terms of the Contract.

26. SECRACY

26.1 The Contractor shall take all reasonable steps necessary to ensure that all persons employed in any work in connection with the contract, have full knowledge of the Official

26.2 Secrets Act and any regulations framed there under.

26.3 Any Information obtained in the course of the execution of the contract by the Contractor, his servants or agents or any person so employed, as to any matter whatsoever, which would or might be directly or indirectly, of use to enemy of India, must be treated secret and shall not any time be communicated to any person.

26.4 Any breach of the aforesaid conditions shall entitle the Purchaser to cancel the Contract and to purchase or authorize the purchase of the stores at the risk and cost of the Contract in accordance with the clause 13.2 of the General Conditions of Contract. In the event of such cancellation, the stores or parts manufactured in the execution of the contract shall be taken by the Purchaser at such price as he considers fair and reasonable and the decision of the Purchaser as to such price shall be final and binding on the Contractor.

Chapter – 1

Introduction

1.1 General

- 1) Jaipur Metro has implemented Automatic Fare Collection system using Contactless Smart Card as multi-ride ticket and contactless smart tokens as Single Journey Ticket for JMRTS project.
- 2) Presently cards are issued from the metro stations from manned Ticket Office Machine. Add value can be done at manned/automatic Ticket Vending Machine / Add Value Machine / Recharge Card Terminal Machine/ through Automatic Gates.
- 3) At the time of entry and exit, the card is presented by the passenger at reader/writer of the Automatic Gate. The card is processed as per Business Rules defined by JMRC in the Application software of the equipments.
- 4) The purpose of this specification is to specify contactless smart card with antenna and chip inside required for JMRC for sale as multi-ride ticket at stations.
- 5) The card will be a contactless smart card compliant to Type A Philips Mifare Desfire EV1-4K functional specifications.

1.2 Scope of contract

- 1) The scope of this contract covers manufacture, supply and acceptance testing of Contactless Smart Cards for Jaipur Metro.
- 2) Schedule of supply is at Appendix 4q

1.3 Certification & Standards

The Bidder (Individual or Consortium or JV) must be a proven manufacturer of Smart cards and should meet the following criteria:

1. The card should incorporate Philips Mifare Desfire Chip no. NXP MF3ICDH41 with part no. MF3MODH4101DA4/05-70pF or compatible (minimum 4 Kbytes).
2. ISO-9001 certified facility for smart card manufacturing & in-house MIFARE DESFire or compatible Inlay Manufacturing.
3. Must have completed (manufactured and supplied) one work of similar* nature of minimum value equal to INR 61,00,000/- (80% of the Estimated cost) at 31.3.2014 price level.

OR

Must have completed (manufactured and supplied) two works of similar* nature each costing of minimum INR 38,00,000/- (50% of the Estimated cost) at 31.3.2014 price level.

OR

Must have completed (manufactured and supplied) three works of similar* nature each costing of minimum INR 31,00,000/- (40% of the Estimated cost) at 31.3.2014 price level.

Has to complete the information regarding work completed in Appendix -3.

*Similar work means any type of contact less chip based smart card.

4. The Annual turnover of the bidder or member (responsible for manufacturing) of the Consortium/JV should be more than INR 61,00,000/- (80% of the cost of the work for one year) atleast for 1 of last 3 financial years i.e 2011-12, 2012-13 and 2013-14.
5. The compatible chip should support RF & Mifare Desfire command set and file system, without any change being required in JMRC system.
6. The Complete base material for manufacturing the smart card including Inlay, outer layer and the card body must be PETG material.
7. Card Antennae: the construction of the contactless smart card antenna for the inlay should be made of copper wire and should be embedded copper type only.
8. Card manufacturer must submit an valid ARSENAL Certificate of Mifare Desfire (having above mentioned chip) or compatible smart cards to ensure the quality, reliability and compatibility of the Mifare Desfire (or compatible) based smart cards. The certified smart cards must be manufactured using in-house manufactured Inlays with the Mifare DESFire or compatible. The detailed test report should also be submitted to prove the details of chip and inlays used in the certified cards.
9. The Bidder may not have existing Inlay manufacturing in India at present, however the bidder should submit the documents to substantiate as part of the bid of his existing or proposed manufacturing plan in India. The card (including inlays) to be supplied to JMRC as part of this contract should be manufactured in India. This is required so as to support card printing & customization needs of JMRC during the card supply phases and post issuance support.
10. Bidder (Individual or Consortium or JV) shall provide atleast 2 letters of satisfactory performance of its supplies of Contactless cards for minimum 1 years each. The following details are to be given:
 - a. Name of Organization to whom supplied
 - b. Customer contact Name, email and Phone Number
 - c. Scope undertaken by Applicant
 - d. Total Quantity supplied.
 - e. ISO Standard for cards
In satisfactory operational use, minimum for last 1 years, (with name of Project).
11. A declaration that applicant (any member of the Applicants) has not been blacklisted /debarred by any Government agency.
12. A declaration that the product being offered does not in any way infringe on international copy right regulations.
13. The supplier to produce recognized certifications (for item ~~aj~~below) and to confirm through tests or produce recognized laboratory certificates (for items ~~aj~~& ~~ak~~), that the supplied card (Mifare Desfire or compatible) meets following international standards:

- a. Electrical specifications should comply with Arsenal Certification from Mifare Arsenal Institute. Arsenal Certification to be submitted for Desfire or compatible chip along with the bid.
 - b. Dimensional Specifications to comply with ISO 14443-1.
 - c. Mechanical / environmental tests complying to ISO IEC 10373 as detailed in the acceptance tests.
14. The Applicant shall submit confirmation from chip OEM (and Operating System Developer) along with the Technical Bid that he shall supply the requisite chips/OS for this project to the said Applicant and in line with the time schedule of supply laid down in tender.
15. If the chip OEM is not the same as the smart card OS developer, then the Applicant shall submit confirmation from the Operating System Developer that OS shall be property of JMRC and the same shall be delivered to JMRC as part of first batch of supply of smart cards. After that JMRC may use the chip OS for all future supplies of cards without paying any fee/royalty to chip OS company.
16. In case of award of tender, the Applicant, JMRC, Chip OEM and chip OS supplier will sign a joint agreement in the format as given in Appendix-2 for supply & quality including warranty of that product delivered to JMRC. Confirmation for this required from the chip OEM and OS supplier along with the Technical Bid.
17. The tender is a two Packet Tender i.e. Techno Commercial Bid and Price Bid. Only the Technical Bid will be opened on due date. Technical evaluation will be carried out by JMRC to assess and finalize the technically acceptable Applicants. The price bid of only the technically acceptable Applicants will be opened.
18. During warrantee period, supplier is responsible to replace the physically ok but not readable cards. The verification shall be done at JMRC premises in presence of the suppliers. The card will be considered physically damaged if:
- a. Card is in bent condition. (to check this . place the smart card on flat surface and see that all the four corners are not touching the surface)
 - b. Smart Card has visible cut mark or corner is cut.
 - c. Smart Card surface is badly worn out and engraved ID is not visible.

The quantity beyond 1.5% of damage/non-readable cards shall be replaced free of cost and in addition a penalty of 20% on each defective/non-readable card shall be imposed on supplier.

Documentary evidence of compliance to all the points from 1 to 16 qualifying criteria is required to be submitted along with the bid.

1.4 Warranty

- 1) Warranty for a period of three year or 100,000 times of writing whichever is earlier.
- 2) An initial batch of 200 cards shall undergo acceptance tests during first article inspection and operational tests for a period of one month. Manufacturing for subsequent batches will be started only after successful passing of these tests.
- 3) Any manufacturing related malfunctioning of the cards (including chip inside) at any subsequent stage may result in cancellation of pending supply order at any stage of delivery. The remaining supply shall be bought at risk and Cost of the supplier.

Chapter - 2

Technical Specifications

Item	Description
2.1 Physical characteristics	
a). Card geometry	Shape and Physical dimensions (including thickness) to be compliant to ISO 14443-1 standard.
b). Base material	The complete base material including card body and transparent outer layer should be high grade PET-G. Test report for the PET-G material to be submitted from a recognized test laboratory. The surface must be such that it is low sensitive to dust and moisture adherence.
c). Card lifetime	Must be: > 5 years. Therefore during this lifetime, the card must not develop cracks, hole, printing fading, major surface imperfection etc due to aging.
d). General characteristics	Card must adhere to specifications covered in ISO IEC 10373-1-General characteristics (for following parameters): <ul style="list-style-type: none"> • Resistance to dynamic bending stress • Torsion stress • Bending stiffness • Resistance to break • Flammability, Peel strength • Card warpage • Resistance to chemicals • Adhesion • Card stability etc.
2.2 Electrical characteristics	
a) Distance of work	Cards should work minimum 5 cm from antenna.
b) Certification	Supplier to submit Arsenal certificate (specifically for Mifare Desfire based or compatible cards). The submitted Arsenal certification shall include certification for essential electrical parameters, protocols and characteristics of Type A Desfire contactless card chip or compatible. Such parameters (but not limited to) include: <ul style="list-style-type: none"> • Antenna coil size, Card chip / antenna inlay design • Communication frequency, Operating field strength, Modulation • User available application memory (4Kbytes) • Read/write time, Read/write endurance (100,000 cycles), Data retention (> 10 years), Data transfer rate • Security features such as Anti-tearing, Momentary power

	<p>loss protection, Anti-collision, Data integrity support mutual authentication with the reader), 3DES encryption, EEPROM failure automatic detection, Transaction atomicity.</p> <p>The supplied card should comply to all standards / specifications covered under ISO 14443 Type A standard for contactless smart cards.</p>
c) Inlay	The Inlay should be manufactured by the Tenderer himself
d) Card Antenna	The Construction of the Card Antenna should be made of copper-wire and should be embedded type only for long durability and better readability. The Tenderer should specify the technology used for embedding.
2.3 Security features	
a). Transportation keys	Card manufacturer will encode cards with transportation keys prior to delivery to ensure security/integrity of the chip.
b). Unique serial number	<ul style="list-style-type: none"> Card shall be issued with a Unique ID (serial number). Unique engraved ID will be embossed on the card Surface (laser engraved). Unique serial no. with padding digits for supplier identification to be used (to be consulted with JMRC). Each card will have a unique internal ID (7 bytes). Engraved ID and corresponding Unique ID information for complete delivery should be available in recorded electronic media (CD etc) which will be securely delivered to JMRC.
c). Card tamper protection	Card opening must not be possible without breaking the card itself and card must become useless. If card is opened, it should become unusable.
d). Hardware Security Certification	Minimum CC EAL4+ for Hardware.
2.4 Environmental conditions parameters	
Physical card and embedded data should not be tampered in adverse utilization conditions	
a). Resistance to environment	Cards must resist up to environment stresses as: Temperature: +50°C Relative Humidity: 100 %
b). Storage condition	Temperature: -10, + 60°C Relative Humidity: 15 to 100 %
c). Operating condition	Temperature: -10, + 60°C
2.5 Artwork support	
<p>a. Artwork will be given by JMRC approx. 30 days before delivery. Artwork to be approved by JMRC before delivery. Cards shall be printed on both sides with multi-colour print process. JMRC reserves the right to have multiple artwork in the same lot.</p>	

b. The printing shall be resistant to wear due to handling in the system.
2.6 Card Packaging, Labelling & Delivery
a. Cards will be packaged in suitable cardboard boxes containing 1000 cards each.
b. Safe and insured supply of all lots
c. Supply to be done as per intimated date at purchaser's premises.
d. Cards to be supplied in suitable cartons ensuring safe storage under environmental variables such as humidity, temperature etc.
e. Further, the packing should prevent the cards from any accidental electrical or mechanical shock capable of inducing any operational / structural defect in the cards.
f. On each box, a label will be set with following information. These indications must be readable when boxes are stacked. <ul style="list-style-type: none"> i. Company logo ii. Batch number iii. Number of the box iv. Number of cards v. Manufacturing date and manufacturer reference vi. Delivery location of cards vii. Weight of the box (if requested) Serial number of cards.
g. CD containing engraved and unique IDs of cards shall be securely delivered with the batch.
h. Transport key for the supplied batch shall also be securely delivered to JMRC AFC Security manager.

Chapter – 3

Tests

3.1 General

- a). For specifications / parameters covered under suitable certification from recognized standard laboratory / Institute, separate tests may not be required. But contractor shall submit batch-wise report for compliance.
- b). The tests which require to be conducted at suitable approved laboratories (national / international) shall be duly conducted and reports for the same to be submitted by the contractor. Contractor shall provide a suitable testing plan document to establish the specified parameters / tests (within the scope of the delivery but not readily covered under standard certifications).
 - i. Contractor to provide a standard sampling plan and acceptance criterion table for such tests as a function of the batch size.
 - ii. Such tests to be conducted by the supplier in a suitable standard environment/laboratory using calibrated test equipments. JMRC representative may also witness the tests.
 - iii. Test results shall be submitted for review of JMRC after completion of tests.

3.1 First Article Inspection Tests (FAI) for first 200 cards:

This includes measures of several physical and functional characteristics of cards.

a). Tests for Physical characteristic	All physical characteristic covered under ISO IEC 10373-1 standard (General characteristics tests). Physical specifications must be compliant as specified
Card dimensions, material	Should meet the required specification. Card must have no defect on its surface such as hole & imperfection of surface.
b). Tests for security	Security features must be compliant to specification. Test to open the card is made - The result must be: card/chip broken and unusable.
c). Artwork Check	Card artwork shall meet the standard / quality of approved sample. Test for Artwork - Card artwork must resist to wear (Test conditions: Temperature: 35°C & Relative Humidity: 100 %) The printing must resist to loaded abrasive sliding against card. The base material must not be seen before
d). Tests for Environmental conditions	All parameters listed in environmental conditions should meet the required specifications.
e). Packaging defect	Packaging should be as specified.

3.2 Operational Test (at JMRC test set-up)	
To demonstrate card compatibility with JMRC AFC system, contractor shall conduct tests for:	
a). Reading distance	Card shall comply to specification.
b). Compatibility with JMRC software and equipment	Card should support working with JMRC equipments and application software, without any change.
Note: In case of any of the defect occurrence due to these parameters, the entire qualification will have to be made again from the beginning by card manufacturer.	
3.3 Factory Acceptance Tests (FAT)	To be done for all production batches. All tests / items covered in FAI shall be also included in FAT. Inlay has to be manufactured by vendor in house and same has to inspect in FAT.

Sampling and Defect Classification

- a). Each measure to be numbered and have its own sampling plan (size of the sampled lot **n** and acceptance / rejection criteria). The sampling **n** must always be made on the whole batch; where $n = T \times B$; (T = number of sampled card in boxes; B = number of sampled boxes)
- b). The Sampling **n** is made with the following rules:
 - If the number of defective cards in the batch is equal or lower than the acceptance criterion, the batch is accepted
 - If the number of defective cards in the batch is greater than the acceptance criterion, the batch is rejected.
- c). The defects to be classified as:
 - **Major defects:** defect which causes problems in the normal use of the product and / or reduces its commercial value.
 - **Minor defect:** defect, which does not influence the normal use of the product, but exhibits a non-compliant parameter.

In case of any type of defect occurrence in any of the specifications / parameters mentioned, the complete FAI / FAT must be made again.

Appendix 1

Schedule of supply (Tender for Supply of Contactless Smart cards) Supply quantity is 1,00,000 cards

Delivery to be done in a single batch as mentioned below. Artwork for card will be given by JMRC. FAT should be offered to JMRC within 15 days of receipt of artwork. Delivery of cards to be done to JMRC within 15 days of completion of FAT.
