S. No	Clause no.	Query by Firm's	Response to query by JMRC																									
		We are the authorized representative of the OEM(M/s FOGTEC Fire Protection, Germany) of the systems installed in RS-08 Train of JMRC. We shall be participating on the behalf of our OEM. Please let us know if there any specific format for authorization letter or a general authorization certificate from OEM will suffice the requirement.	Since this is open bidding process so authorization certificate from OEM is not required.																									
	Clause 5.1 of bid document	<p>As informed during pre bid, the part numbers mentioned in for item S. no. 4 to 7 in clause no. 5.1 of technical specification and BOQ are not as per OEM part numbers. Please note that the components like smoke detector, temperature detector, F-Bus etc. are combination of Hardware and firmware (software). The part numbers mentioned by JMRC are of the hardware which can be supplied by any vendor as available in open market, but this will not work on the Rs-08 train as system will not support this hardware without the firmware of OEM installed in them. Hence, to avoid any inconvenience to JMRC in future during application of these spares in the train, we request your good office to modify the table as below:</p> <table border="1"> <thead> <tr> <th>S. no.</th> <th>Existing part no.</th> <th>Part no. as per OEM</th> <th>Components</th> <th>Qty.</th> </tr> </thead> <tbody> <tr> <td>1.</td> <td>13000342</td> <td>13000342</td> <td>CPU 3001+(w/o power supply)</td> <td>2</td> </tr> <tr> <td>2.</td> <td>10000795</td> <td>10000795</td> <td>DC-DC Converter –</td> <td>2</td> </tr> </tbody> </table>	S. no.
