To,

All Telecom Service Providers of Rajasthan,

(Through: e-mail/ JMRC website)

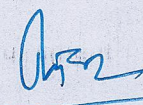

Sub. : Request for Expression Of Interest (EOI) for communication services to JMRC.

Dear Sir,

Jaipur Metro Rail Corporation (JMRC) started as a small organization in 2010 and is now on the threshold of opening its first line. As part of this process, the strength of organization has grown manifold, particularly during last six months. To provide communication facilities to its offices and staff, JMRC needs to identify and sign contract with a reputed Telecom Service Provider licensed to provide of all types of telecom services in Rajasthan i.e., fixed line, mobile (GSM & 3G) and ISP (Internet Service).

The tentative requirement of communication facilities for JMRC (present and future) is indicated below:

S.No	Type of Connectivity / Service	Present requirement	Future requirement
1	EPBAX with PRI	I. 10 lines with 60 extensions (extendable to 30 Line /90 extensions) for RAJSICO building of JMRC II. One PRI (30 lines) with about 100 extensions for Depot at Mansarovar (Without EPBAX)	Migration of Existing PRI / EPBAX of Khanij Bhawan (8 lines with 40 extensions) Note: No EPBAX required at Depot as DMRC is arranging the EPBAX.
2	Internet Leased Line	I. 2 MB for RAJSICO building of JMRC. II. 4 MB for Mansarovar Depot. The same will also be used for station staff	a. 2 MB of RAJSICO building of JMRC. Likely to be expanded to 4 MB in future b. 4 MB of Mansarovar Depot likely to be expanded to 8 MB in future. c. Migration and expansion of Existing

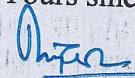

3	Mobile CUG	472	250
4	Data Card	20	10
5	Telephone connections at various Metro Stations	6	9

Other Terms and Conditions :

- (i) The Contract shall be initially for three years and shall be extendable with mutual consent at the same or downwards negotiated rates.
- (ii) The Contract can be terminated by JMRC giving one month's notice in case services are not satisfactory.
- (iii) The Service Provider can be asked for a detailed presentation of the proposal, to firm up the requirement and for negotiation.
- (iv) The requirements projected above are tentative and can vary as per emerging needs. Also, after presentation and discussion with Telecom Service Providers, there can be minor modifications in the requirements.
- (v) While internal wiring for EPBAX telephones shall be arranged by JMRC, the handsets and EPBAX shall be arranged by the Service Provider in RAJSICO & Khanij Bhawan Building. In case of Mansarovar Depot, EPBAX / handsets shall be arranged by JMRC (through DMRC). Accordingly, break up of rates / rent for each item in details should be provided.
- (vi) The Lease line modem shall be arranged by the Service Provider. Internal LAN wiring and LAN switch (es) may be arranged by JMRC. However, rates for LAN wiring and switches may also be provided separately.
- (vii) All the PRI lines and Internet Lines are to be arranged on Optical Fiber media, preferably.
- (viii) Every Internet lease line shall be arranged with minimum 6 number of public IP addresses
- (ix) Decision of JMRC shall be final in awarding the contract.

Kindly send your EOI along with tariff proposals & other rates as per above to the undersigned within 10 days i.e. by 06-09-2013.

Yours sincerely,

(Rajesh Kumar Agerwal)
