

**Government of Rajasthan
Transport Department**

No. F.12(12)Trans/Gen./Moni/09

Jaipur, Dated:- 06.07.2009

Order 18/2009

COLOURFUL GREEN -30K BY TRANSPORT DEPARTMENT

Moving ahead with Honourable Chief Minister's vision of "Harit Rajasthan" which envisages involvement of every citizen in the implementation of afforestation work on a massive scale in the entire State, the Transport Department has come up with the idea of **30K**-a project to plant 30000 colourful green trees in it's Office Premises/ Driving Tracks throughout the state in the next 5 years. The agenda of the department towards successful completion of the project includes the following 3 levels:-

- ❖ Each of the 36 Driving Track lands is to be taken up for the plantation of at least 500 trees.
- ❖ Wherever possible, Offices at Regional and District levels are to be used for plantation with a minimum of 100 plants in each of the 25 Departmental Office Building premises throughout the state.
- ❖ At least 10000 trees are to be planted on the Manoharpur land located in Jaipur District.

Following trees have been chosen for effective implementation of the **30K**-colourful green project :-

- Amaltas (Cassia fistula)
- Gulmohar
- Jacaranda (tree with purple flowers)
- Champa
- Palm trees
- Ashoka trees
- 5 different colours of Bougenvellia

Guidelines for the achievement of the above objectives are as under:

Type of Plant	During the Month of -----		Up to the Month of -----	
	Number of trees planted	Number of Plants Survived	Number of trees planted	Number of Plants Survived
Amaltas(Cassia fistula)				
Gulmohar				
Jacaranda (tree with purple flowers)				
Champa				
Palm trees				
Ashoka trees				
5 different colours of Bougenvellia
