Jaipur, Date:- 26/03/2019

Order

Transport Department has made out cases against over loading goods vehicles on the basis of data, which was retrieved by SDRI through weighment recordings by Toll Plazas and issuance of e-ravanna by Mines Department. It has been observed that the data suffers with certain inconsistencies like wrongful entry of registration number of vehicle and incorrect entry of unladen/laden weight. This needs a detailed review of the data. Therefore looking into the matter, the notices given to vehicle owners under section 113(3)(b) of Motor Vehicles Act, 1988 are kept in abeyance. All the services required under Motor Vehicle Act and rules made theirunder for the involved vehicles can be uninterruptedly availed by the vehicle owners.
